### Achieve and Succeed

Congratulations to our Students of the Week for displaying the  
school habits and values as follows:

**Brian Timu-Dellow for Respect, Perseverance, Relating to Others and Participating** – You try really hard in all areas of school, Brian. When the going gets tough, you get going. We were particularly impressed this week with the way you participated fully in athletics and cricket training. Because you practised and persevered, you did really well and impressed everyone at our school's athletic event. You're a star!

**Philip Pa'o for Perseverance** – You are settling into school so well. It is great to see how much you have progressed! You are gaining confidence every day and trying really hard with your work. You ran so well yesterday in Athletics and tried in all your activities. Lelei tele.

**Riley Tautau for Respect and Perseverance and Thinking** – It has been fantastic to see the effort you have put into your maths this week. You have worked hard to complete all tasks and to understand and correctly answer all questions. Well done Riley, keep up the good work!!

**Tor Jevon-Dalgaard for Participating and Contributing** – What an amazing day you had at athletics yesterday. You were noticed by adults for doing the right thing and for trying your best at every event. Well done Tor, and keep up this great attitude.

Tēnā koutou kātoa,  
Dear Parents,

We have had a bad week with illnesses and many students and teachers away. It's best to keep your children home if they are unwell, especially if they have coughs, temperatures and runny noses. A couple of days' rest at home seems to be all that is needed to bring them right. And it stops the spread of illness at school.

Thanks to everyone for your support at athletics last Thursday. It was great to see parents and friends from all of the participating schools stepping up and helping with different activities. Although it was hot and windy, everyone enjoyed the day and there were some great achievements across all levels. Well done to all of our students who participated with enthusiasm and supported their friends in the events. Special thanks to Mrs Foley for all of her work preparing for the day and also to Home and School for the lovely hamburgers, food and drinks. I think the Juicies were a big hit on such a warm day. Good luck to the students who qualified for the Interscholar Athletics at the College next Tuesday.

This Thursday we have the Playhouse Theatre Company performing "Red Riding Robin Hood". The show starts at 9.30am and you are welcome to come along. Sherwood School are joining us for the morning.

Today we welcomed Shelagh Barber and Lyn Horspool to the senior class as judges for our speeches. Thanks Shelagh and Lyn, we appreciate your time and expertise.

Conferences will take place on Thursday 29th November and Monday 3rd December for students in ruma toru, wha and rua. Mrs Owens will meet with families who are due to have their anniversary conferences. Please complete the forms attached and return to school by Monday 19th November. **At 6pm on Monday 3rd (after conferences), we will have our follow-up hui to build on plans made at our last meeting.** You may take this into consideration when organising times for your conferences. Everyone is very welcome to come along.

On Monday we had Ian from Digital Circus working with each class. Students were doing activities that are part of the Digital Literacy curriculum. This photo shows Riley and Gareth writing algorithms and

debugging to solve problems. Students in the junior classes were playing with Beebots and making simple algorithms. Everyone enjoys the activities.

Max, Rupert and Connor are very proud of themselves having trapped another mouse. Thanks boys for your efforts in ridding the school of these little vermin!

Have a great week everyone.  
Nga mihi mahana,

Julie Thelwall  
Principal
