Achieve and Succeed

Congratulations to our Students of the Week for displaying the
school habits and values as follows:

Kaela Brans for The Argyll East Values and Habits – You are a great leader and role model in both the classroom and school. You show excellent self managing skills and work well independently as well as in groups. Your positive attitude makes you a pleasure to be around and we all benefit from your willingness to help others.

Kyra Epplett for Managing Self – We are really impressed with the way you are getting stuck into learning in Rūma Toru, Kyra. You are learning to ask questions in maths discussions and to share your ideas. You participated fully in the swimming sports amongst many students. You quietly get on with tasks and play. Keep taking risks Kyra and your confidence in yourself will grow. You can do it!

Max Ellis for The Argyll East Values and Habits – Max this award goes to you because you are a polite and respectful member to our class. I appreciate that every morning when you arrive at school you come in and say 'good morning'. Manners go a long way in the world. Keep it up my friend!

Coby Hunia-Mitchell for Managing Self – You have such a great attitude towards your learning. You have not been here long, but you have been trying so hard and it is great to see. We love having you in Ruma Tahī. Ka pai, Coby. Keep up the fantastic attitude.

Tēnā koutou kātoa,
Hi everyone,

It's lovely to have a burst of warm weather again allowing us to squeeze in a few more swimming lessons before the water gets too cold. Yesterday we had Karen Daldorf from Swim New Zealand working with teachers and students during swimming lessons. Thanks Karen, your lessons always provide great learning for everyone!

Thanks to those who have responded to our consultation survey - we have not had many responses, but we do appreciate the information that we have received. We have discussed the points as a staff and will have a discussion at our next board meeting.

Congratulations to Erikka Gwerder (year 8), Gabriella Olsen (year 7) and Lucas Perceval (year 7) who are our school leaders for 2019. We look forward to your leadership in our school this year. Thank you to all of the students who presented speeches to the school last Friday at assembly. You all did very well.

Today we have Libby Cunningham working in our classrooms during maths lessons. Libby is a mentor with the DMIC programme and is here to support us in our teaching of mathematics. We also welcome Jan Kale (RTL) who is working alongside us as we develop our DMIC knowledge.

Today and tomorrow I am in Auckland for a conference "Creating a New Success" - Charles Fadel. I will be back in ruma toru on Friday. Miss Hay will be teaching ruma toru on Thursday.

Enjoy your week,

Julie Thelwall
Principal
