Achieve and Succeed

**Congratulations to our Students of the Week for displaying
the school habits and values as follows;**

Jess Kappely for Perseving – You have worked very hard with your Seesaw this week. I like how you have kept going with your work and made changes when you thought you needed to. This is a great skill that you will be able to use at Onga next term.

Tor Jevon-Dalgaard for All the Argyll East Habits and Values – You use the Argyll East Habits and Values every day. You offer help to others, show respect and use integrity by doing the right thing, even when no one is looking. You have a fantastic can-do attitude towards your learning and give everything a go.

Oscar Moorhead for Participating, Managing Yourself and Thinking – Thank you Oscar for being a great model every day, in every way in group work and in our class. You always persevere to do your best by focusing on the job and trying hard. You always do the right thing– even when no-one is watching. We enjoyed finding out more about you this week too. Thanks for sharing, Oscar.

Lily Kent for Perseverance – You persevered in maths this week. Although it was hard work you kept on going and you got it in the end. Well done and keep up the great work.

Tēnā koutou kātoa,
Dear Parents

Summer one day, autumn the next. What a deluge!

A special welcome to Diego who joined Ruma Wha last week. We hope you enjoy Argyll East School.

Thanks to all of our families who have come along to conferences this week. It is great to meet with you to discuss your children's progress. We hope that you are enjoying Seesaw and being able to see what your children are learning each day. We have received some great feedback from families and we know that your children really enjoy reading (or hearing!) your responses to their learning. If you have any questions please give us a call. **Note: INTERVIEWS FOR THIS AFTERNOON HAVE BEEN POSTPONED until next Wednesday due to the weather. We have also POSTPONED THE WORKING BEE and will advise a new date early next term.**

Thanks to Karena and Rose who have been working extra days while Miss Owen is away. This has allowed Ruma Tahi to have continuity in their learning with teachers that they know well. We wish Miss Owen a speedy recovery.

Last week we received a phone call from an Otane resident who was calling schools to ask if we could talk to the children about the new nets at the Otane Tennis Courts. There has been some damage to the nets caused by children sitting and swinging on them. We spoke about caring for the nets at our assembly last week and would appreciate it if you could mention it to your children if they visit the courts. Thanks

Congratulations to our students who participated in the AgriKids competition on Saturday. We loved hearing about all of the activities at our assembly on Monday. Well done, it sounds like you had a great time and were excellent ambassadors for Argyll East School.

Nga mihi mahana,

Julie Thelwall
Principal

PRINCIPAL'S AWARD To Maddie Finch for Integrity and Thinking

Maddie, I am really impressed with your commitment to learning. Early in the morning you are practising your spelling, doing extra research to collect information or showing your initiative to solve riddles and jokes. You are always helpful and interested in what is going on. You're a great little thinker!

NEWS FROM THE DENTAL CLINIC

5 South Service Lane Waipukurau 858 6725
Please remember that fruit contains sugar and acid which can add to the risk of decay in your child's teeth. It is **dentally unwise** to allow your child to "graze" on fruit. Fruit should be given as part of one of the recommended 3 meals and 2 snacks your child would normally have each day.

PEA STRAW FOR SALE

Good quality pea straw, great for gardens or stock food. Round bales, 12 bale equivalent, \$85 per bale. Can deliver locally.
Phone David Reynolds 06 857 5102

SEASONS FOR GROWTH

Does your child need some help to deal with a significant life change in their family? Growing through Grief offers the Seasons for Growth programme – a 9 week after school programme which aims to strengthen the social and emotional wellbeing of children as they learn new ways to respond to these changes. Children work in small groups with a trained adult facilitator. We are now taking enrolments for Term 2. For more information please text or phone Val on 021 814 870, or email val@acw.org.nz

HEADLICE

Head lice - please check and treat your children's hair for head lice if necessary as they seem to like the humid weather and are active at the moment. Thanks for your vigilance.

TARGA RALLY

The Targa Rally is coming back to Argyll on May the 20th and once again they need marshalls for the Argyll Stage. Please contact the office if you are able to help on the day as we receive a good donation that is always gratefully received. We need to know numbers of volunteers as soon as possible or it will be offered to another group as a fundraiser. Thanks for your support.

AGRIKIDS

Congratulations to Baxter, Maddie and Cam for getting into the finals of AgriKids. Sadly we were unable to send all of our AgriKids teams to the competition on Saturday. However, at the last minute the NZ AgriKids organisers randomly selected one of our teams to compete- the Argyll Waratahs made up of Cam, Maddie and Baxter. They completed a number of different farming modules in the morning and were called back to compete in the finals in the afternoon, finishing up 4th out of 49 teams. Thank you to the parents for their support on the day. We look forward to having more children involved in this next year.

MAKE YOUR HOME A SAFETY ZONE

A workshop is to be held on 7th June, 9.30am – 2.30pm, at Central Health in Waipukurau about safety around the home.
