## *Achieve and Succeed*

**Congratulations to our Students of the Week for displaying  
the school habits and values as follows;**

***Payton Tautau for Participation, contribution and creativity –***

You always try your best Payton. You are also taking risks with your learning to be the best you can be. What a great term you have had in Ruma Toru. You were all ready to go in your Pizza Parlour yesterday. You had fun and learned lots about fractions and money. Ka pai, Payton.

***Jakob Worsnop for Managing Yourself and Thinking – (absent)***

Thank you for being a great role model every day in group work and in the class. You always show integrity even when no one is watching. You have a fantastic, can do, attitude toward your learning. Well done and keep it up.

***Callum Kappely for Perseverance – (absent)***

What a great attitude you have had this week. I've been so impressed with how you have got stuck into your work. You have been smiling all week and it is wonderful to see you enjoying school.

Tēnā koutou kātoa,  
Dear Parents

This week we farewell the Moorheads and Kappelys and wish them all the very best in their new ventures. Thanks for everything you have contributed to our school and we look forward to our paths crossing in the future. We also welcome Hayleigh, Jaydah and Rhyen Brownie to our classrooms and our newest junior, Reid Bicknell. We know that you will enjoy being at Argyll East School! Our school roll for the end of term one is 63.

Thanks everyone for being flexible on changes in conference dates. We understand that some of you may not be able to make appointments this week so teachers will contact you to make a new conference time early in term 2. If you have not already, we encourage you to sign up for Seesaw.

It was lovely to have Gwyn and Andrew (Waipawa and Districts RSA) visit our school on Monday to talk to our children about the importance of remembering those who fought in wars to ensure freedom for New Zealanders. We thank them for their visit and for telling us lots of stories. Poppies are available from the office - donations please.

Well done to Cameron and Kaela Brans who participated in the Swim for Lives Swim-a-thon last weekend. Over \$6000 was raised on the day and this money is offered back to schools to participate in the Swim for Life programme. Thanks Cam and Kaela for representing our school.

We are happy to have received confirmation of some funding for our fundamental skills programme. Thanks to Sport HB Community Sport.

On Thursday we are having a mufti day to support the families who have been forced from their homes by the floodwaters in Edgumbe. Please send along a gold coin donation.

We wish everyone a very happy holiday. Hopefully the weather will be kind and we can enjoy some warm, sunny autumn days. Thanks staff, board, children and families for a great start to 2017.

See you all next term, well rested and ready for learning.

Nga mihi mahana,

Julie Thelwall  
Principal
