*'A caring, country setting growing potential through challenge,
creativity and play – every child, every day.'*

**Term 1, Number 4
Wednesday 22nd February 2017**

Achieve and Succeed

**Congratulations to our Students of the Week for displaying
the school habits and values as follows:**

Eva Bailey for Perseverance – You have come such a long way with your swimming this year. You persevere in every swimming session and now you have the confidence to lift your feet from the bottom of the pool and float using a flutter board. I can't wait to see what else you can achieve this term.

Aurora Gregory for All the Argyll East Habits and Values – I am so proud of your attitude towards school! You have come back this year smiling and trying your hardest. It is great to see you loving school and staying positive. Ka Pai Aurora!

Baxter Twist for Participating and Contributing – What a wonderful attitude you have to learning both in and out of the classroom. You consistently participate fully in every aspect of your learning showing persistence and integrity. You are willing to share your ideas and help others who are unsure. Thanks for being a fantastic Year 4 and a great role model Baxter.

Riley Tautau for Participating and Contributing – I have been very impressed by how you have settled into Ruma Whā. You constantly participate fully in every aspect of your learning. You are willing to share your ideas and help others who are unsure. Thanks for being a fantastic Year 5. Go, Riley!

Tēnā koutou kātoa,
Dear Parents,

What a busy time we are having at school and what a great start to the year. Thanks so much for returning forms including EOTC permission, bus contracts and contact details. Your prompt action with these forms allows us to keep our files up to date. Please keep sending them in. Thanks also to everyone who answered our questions about communicating learning. We appreciate your input towards our inquiry.

Yesterday we were lucky to have Georgina Langdale and Haana Wilcox visit our school to talk about Raukawa and the raukawa plant. Georgina told us some interesting stories about how Raukawa was named and shared some beautiful photos of the plant in its different stages of growth. Our thanks to them both for coming to our school and thanks to Miss Hay for organising their visit.

Tomorrow and Friday, Miss Owen and Mrs Ryan, (along with a number of other CHB teachers), begin professional development through the Science Roadshow. We are looking forward to being a part of this programme and the fun learning that will be developed over term 2.

We enjoyed having Kirsty and Harold from Life Education in our school on Friday and Monday. The juniors are always fascinated by Harold and the Life Education truck certainly has lots of new gizmos that are entertaining and captivating. Good messages about resolving problems, being resilient, leadership and substances (Years 7&8) were shared, with lots of little strategy ideas included to help children make good choices.

Today we welcome Mati Tirilis from Basketball Hawkes Bay who will be running basketball lessons for all students every Wednesday for the next five weeks. Thanks to Amy and Emma for organising this programme.

Welcome to Jodie Heiford who is cleaning our school while Chris recovers from her fall. And a big thanks to Kim Bailey for stepping in at short notice to clean for us over the last week. Much appreciated!

Have a great week.

Nga mihi mahana,

Julie Thelwall
Principal

PLAY MATERIALS WANTED PLEASE!

Ruma Tahi would love more materials to play with! If you have any of the following that you would like to donate please let us know, the children would love to recycle it for you :).

HOME AND SCHOOL

Home and School Reminder - If you would like to be involved in helping to raise funds for our school this year, please come along to our first meeting next **Tuesday 28th February at 6pm.** Everyone very welcome!

PRINCIPAL'S AWARD

To Ruby Finch for Relating to Others and Participating and Contributing

Ruby, you were an enthusiastic helper when we were organising equipment for our lunchtime game and then when we played you were so kind to everyone,

making sure that all of the younger children got to have a turn. You're an amazing Argyll East Student.

WELCOME

Welcome to Bethany Thomas and her family who joined the school this week.
