'A caring, country setting growing potential through challenge

Term 2, Number 7
Wednesday 14th June 2017

Achieve and Succeed

Congratulations to our Students of the Week, for displaying the school habits and values as follows;

Jaydah Brownie for Integrity (absent) - For showing integrity in Ruma Wha! It is such a pleasure having you in our room and at Argyll East School. I love the way that you make positive choices in class and just get on with it. You are a great role model for others in our class as well as our school. Keep up the fantastic attitude.

Britta Oliver for Integrity - You are always so kind and helpful at school but today you also made Argyll proud! You were very caring to someone who was upset and they really appreciated it. It was awesome to see you helping others and being a great role model.

Jackson Worsnop for Integrity - You worked hard and you were a great role model and leader in our room when we had a new teacher. You displayed integrity by doing the right thing when no-one was looking. It was great to get such wonderful feedback about you from Mr Douglas. You're a fantastic guy to have in our class.

Ashla Holt for Integrity - You work hard to do the right thing even when others aren't. You are making great decisions and being a good friend to everyone. All of your hard work in gymnastics paid off as you did a fantastic job at the festival today. Keep working hard Ashla.

Tēnā koutou kātoa,
Dear Parents,

Thanks to our Macaroni cheese team and keen bakers for making our hot lunches this week. Great to see lots of student involvement and excitement using our new resource room for cooking. Thanks Home and School - we appreciate your time and energy!

Thanks Miss Hay for taking a group of children to Eskdale School yesterday for the Enviroschools' Hui. We were lucky to watch their presentation at assembly on Friday, highlighting all of the wonderful environmental initiatives that have been developed and continue to evolve at Argyll East School.

Our Matariki study is underway and we are beginning to learn about the legends of Matariki and the star constellation. We are looking forward to finishing our study with our end of term hangi. Thanks to everyone who responded last week with donations of wood and meat. We have a great pile of dry firewood and our meat contributions are growing, however we are still in need of meat donations. We also need large tins (fruit, milo, milk powder) for the pudding. Please contact the office if you are able to help. Thanks.

We had a great Bus Stop evening last Wednesday. It was good to meet some of our newer families and we enjoyed informal discussions around the new programmes happening in our school. It was also good to think about new ideas to promote Argyll East School to the wider community. Thanks everyone for your input. We received positive feedback and a good night was had by all.

Following on from our science-unit learning about mangonels and trebuchets, we have a Maker Session next Monday morning the 19th June. This is targeted towards students in year 5-8 and will take place in the hall. Otane seniors are travelling over to have a session later in the morning. The sessions are part of the CHB Science development and are provided and facilitated by the Science Roadshow

Teachers are busy preparing mid year reports in readiness for upcoming conferences on June 27th

and 28th. Forms for appointment times are attached to today's newsletter. As Vicki is away today, forms for Ruma Tahi will be sent home tomorrow.

Nga mihi mahana,

Julie Thelwall
Principal

**PRINCIPAL'S AWARD
To Rupert Twist**

Rupert, you are always so kind and helpful at school and today you made your teachers very proud. Miss Owen and Miss Rees told me that you took it upon yourself to go and thank Mr Natusch for the Gymnastics

Festival and then you sat quietly and did some revision of your Magic Tree words. Good on you Rupert, keep up the great attitude!

THUMBS UP

- To Home & School for organising the hot lunches.
- To Waipawa 4 Square for donating the ingredients for the hot lunches.
- To our parent helpers for coming to the gymnastics festivals.
- To families for coming along to the information evening.
- To Ruma Tahi & Rua for their great gymnastics display for playgroup.

NEWSLETTER SPONSORS

We are looking for sponsors for our school newsletter covers. If you would be interested in being a sponsor please contact the school for details.

SHOWING OUR ENVIRONMENT

Cam, Kaela, Baxter, Riley, Thomas and Maddie showed a group of Flemington students around our environment. They were impressed! On Tuesday the same students attended an Environmental hui and spoke confidently in front of 80 students, teachers and the HBRC about our school environment and their learning. You made us proud!

**GALA TE KURA KAUPAPA MAORI O TE WANANGA
WHARE TAPERE O TAKITUMU**
