'A caring, country setting growing potential through challenge'

Term 3, Number 10

Wednesday 27th September 2017

Achieve and Succeed

Congratulations to our Students of the Week, for displaying the school habits and values as follows;

Ruby Finch for Relating to Others - You are always so kind, caring and helpful at school Ruby. We love how you show respect to other children in the school, especially those who are having a bad day! You always use kind words and help people to feel better about themselves. Thank you for showing respect and being a great role model.

Kyro Waikua for All the Argyll East School Values - You are working hard to show all our school values, Kyro. You show respect in your dealings with others, perseverance, especially in maths this term, creativity in your work and integrity in doing great things even when no one is watching. It is great to see your self-confidence and leadership skills developing.

Max Ellis for Perseverance, Managing Self and Relating to Others - I have been so impressed with how focused you have been this week. It has really paid off in your reading and writing. You have also been a really nice friend to others, making sure they are OK and trying to make them smile.

Thomas Robinson for Relating to Others - You always get on with others Thomas in a quiet but positive way. You allow time for your classmates to speak and you listen to their ideas. You put your ideas forward too and justify them. You act nicely in all situations - in group work, as part of the Agri-kids team, out at play.

Kia ora koutou,

Another term has come to an end and I think we are all ready for a restful, spring holiday. Thanks so much to everyone who has helped out in one way or another over the past ten weeks. It has been a solid term of learning and we are grateful for your support.

Sherwood School came to Argyll on Monday providing writing buddies with an opportunity to meet. Argyll students took their buddies on a tour of the school including feeding our local eels. They then enjoyed a shared lunch and some games afterwards. It was a really nice day for everyone. Thanks to our teachers for their organisation of the day and our children for being so welcoming and friendly.

Congratulations to Sera and Cam who participated in the Annual Rotary Speeches at Waipukurau on Monday night. It was my first time attending the speech competition and I commend our students for their courage to stand in front of a huge crowd of people and speak with such confidence. Well done!

During the first week of the holidays, teachers will be attending professional development in writing with other teachers from CHB. This PD is about the teaching of writing strategies and follows on from our recent afternoon PD at Pukehou School.

Reminder: We have our **working bee on Thursday afternoon** beginning with a free sausage sizzle provided by Home and School at 1pm. We will be doing a general tidy-up in the wetland and Mangaotai as well as re-liming pathways. Everyone is very welcome to come along.

Have a wonderful break and enjoy the sunshine. See you next term.

Nga mihi mahana,

Julie Thelwall
Principal

HATS

PRINCIPAL'S AWARD

To Izaak Chadwick for Relating to Others and

Managing Self

Congratulations Izaak. I have really enjoyed watching your development this year. You are making some excellent choices which are helping

you with your learning. You are also making good decisions with your friends in the classroom, the playground and on the bus. You should be very proud of the progress you are making. AND your little pet lamb led beautifully at Pet Day. You must have done lots of training with him. Well done Izaak!

THUMBS UP

- To the Perceval family for giving us a whole lot of manuka seedlings for our shade house. Many thanks.

HOME & SCHOOL NEWS

Hello to all our Argyll School community, there has been lots of organising happening for our big Spring Tour, which is approaching fast. The kids had a great time making soaps for the goodie bags last week and on Thursday the kids helped to make beeswax wraps. A huge thank you to all the families who have donated fabric, what a generous community we live in and there is certainly some funky fabrics. Be sure to keep spare fabric for the future as we may make beeswax wraps for a fundraiser next year. A big thanks to Sloan's Saddlery who also donated fabric and have been a drop off point for fabric from the public. Tickets are now on sale, so please get the word out there. Plus fliers have been distributed around the Argyll community, thanks helpers. Our meat raffle was a huge success and we managed to raise \$1300, thanks for your support everyone, we are now going to purchase some cool new resources for the kids including skipping ropes, a giant connect four and paint for murals to go around the school. We ran a H&S BBQ at pet day last week and the sun shone and it was a fabulous day for all involved. Once again a huge thanks to everyone for giving up their time to make H&S a success and to our families for supporting us. Our next meeting is Wednesday 27th of September, 7pm, Skinny Mulligans, see you there. Amy D

SPRING TOUR

Tickets are available from the school for the **Spring Tour on 28th October**. Please call in or ring to book your tickets. Further information is available on the Home & School Facebook page or Eventfinda website. **Next Home and School Meeting** Wednesday 27th September, 7pm at Skinny Mulligans. All welcome!

BOOMERANG BAGS

Another sewing, ironing, cutting working bee is happening in The Technology Block at Waipawa School on Sunday 15 October from 9.30 am - 4pm or any time in between that you can spare. The concept is all about reducing waste(fabric) going into landfills and exchanging plastic bags for shopping with fabric ones. The aim is to make bags to give away to the shoppers of CHB. If you have any time to spare and would be happy to iron or sew at home or at the working bee and want some more information, give Rose a ring at school or at home.

ACHIEVING AND SUCCEEDING

Ella Nicholson with ribbons she won at the

Maraekakaho horse riding competition on Sunday. Well done, Ella!
