'A caring, country setting growing potential through challenge

**Term 3, Number 4
Wednesday 16th August 2017**

Achieve and Succeed

Congratulations to our Students of the Week, for displaying the school habits and values as follows;

Laura Brun for Thinking - You always think before you speak or act. That makes you a great classmate and friend, Laura. You read between the lines to comprehend more complex stories. You are learning your times tables and remembering them so you can say them quickly. You are doing lots of thinking every day. Well done to you!

Fletcher Twist for Thinking - It has been lovely to see you taking time to think about how you can improve your writing. You are upgrading words, adding in adjectives and trying to incorporate different punctuation. But your thinking does not stop there; you are thinking hard in maths as well to solve division word problems. Keep it up, Fletcher.

Ava How for All the Argyll East Habits and Values - You are always trying so hard! It is great to see you loving learning and already being a great role model to younger students coming in. We love having you in Ruma Tahi and all the wonderful stories you tell.

Harry Robinson for All the Argyll East Habits and Values - I have been so impressed with you this week! You have been working so hard at everything. From adding adjectives to learning your doubles. Keep up the hard work Harry!

Cai Jevon-Dalgaard for Thinking - You have got stuck into your writing this week. You are choosing words that help to create a picture in the reader's mind and phrases that describe and are humorous. Good on you for being organised and taking responsibility for what you do.

Tēnā koutou kātoa,
Dear Parents,

At our Board meeting this week, we discussed our mission and motto statements. Our mission statement is "A caring, country setting growing potential through challenge, creativity and play - every child, every day." And our motto is "Achieve and Succeed." As part of our self review we invite you to share your thoughts with us about their relevance to our school today and to make any suggestions or comments that may help us in our discussions. Attached to the newsletter is a sheet for your comments. Thanks for taking the time to share your thoughts with us.

Next Friday 25th August, we are having a planting session along the Mangaotai and would appreciate some supervisory help from adults as we would like to have as many children as possible involved in the planting. We will start around 12 o'clock and plant for approximately an hour. Please come along if you have some spare time and feel like getting your hands dirty.

This week we begin our across school study Firewise, which aims to teach children fire-safe behaviours, the dangers of fires and the consequences of lighting fires. The lessons will be taught by class teachers and supported by firefighters with a school visit and fire-safety presentation. Information about the programme is attached to this newsletter. Please give us a call if you would like further information.

Thanks to everyone who has been involved with the Onga 7's today. We will include results and photos in our next newsletter. Have a great week.

Nga mihi mahana,

Julie Thelwall
Principal

PRINCIPAL'S AWARD

To Gabriella Olsen for All the Argyll East School Habits. Congratulations Gabriella. You consistently use all of the habits to assist you in your learning and in your relationships with everyone at school. By using the habits, you achieve at a high standard, have good friendships and you are well respected by your peers and teachers. Well done Gabriella. You are a fantastic role model and Argyll East student.

HOME AND SCHOOL RAFFLE

Thank you to those who have already sold and returned sheets. If you would like another sheet they are available from the office. **Remember all sheets and payments are to be returned to school by Monday 21st August. Please also return unsold sheets. Thank you.**

CENTRAL FM WEATHER KID

A heads up that Baxter Twist will be the Weather Kid on Central FM on Friday morning at 8am & 8.30am.

ACCOUNTS

Accounts are attached with this newsletter. These include this term's bus fees, sports subs and stationery. We would appreciate prompt payment.

WELCOME TO NEW STUDENTS

Welcome to Charlie Kent and Lizzie Janson who joined their siblings at the school recently. We hope you enjoy lots of happy days here!

MATHS WEEK

14th – 18th August. Each day this week there has been a maths problem in each class to celebrate Maths week. So we thought it was only fair parents and caregivers had a problem to solve too!!

Toothpicks

Ripeka and Jan were sitting around playing with toothpicks when Ripeka started to make a pattern of squares.

How many toothpicks would she need to make a pattern like this that had 9 squares
