Term 3, Number 5
Wednesday 23rd August 2017

Achieve and Succeed

Congratulations to our Students of the Week, for displaying the school habits and values as follows;

Rhyan Brownie for Managing Self - You have had an awesome week! It is awesome to see how hard you are working in class and with Mrs Reynolds. We are really proud of how you are managing yourself and staying focused on your work. Keep it up Rhyan.

Cam Brans for Managing Self - Cam, you take responsibility for being a learner. You want to learn and are always ready to learn. You may find something hard, but you always give it a go, using your prior knowledge and perseverance to make sure you understand. Argyll East School motto is 'Achieve and Succeed'. You show this in everything you do.

Payton Tautau for Managing Self - You are always organised for the day's learning. You have a pencil at the ready, the right books out, thinking hat on and off you go. You concentrate hard in class by looking and listening. You make great decisions out in the playground and on the bus about doing the right thing. What a great role model you are, Payton. Well done to you!

Courtney Carter for Managing Self - Courtney you are organised and always prepared for learning, often helping others to do the same. You are making a real effort to manage your time effectively, so you get all of your work completed on time. Thanks for being a great role model for other children in Ruma Rua.

Tēnā koutou kātoa,
Dear Parents,

What a great day was had by all at the Onga 7's 50th Anniversary event last Wednesday. A great crowd of people turned out on a beautiful Central Hawke's Bay winter's day and we all enjoyed some good games, either as spectators or participants. Well done to Argyll East students who joined with other schools to play their chosen sport. We were very proud of the sportsmanship and good attitude you displayed throughout the day. Thanks to our lovely parents who came along as managers of teams or supporters of our school. We appreciate your help and support.

This Friday we are planting trees, grown by our students, along the hall side of the Mangaotai. We would really love some help with supervision as we would like to involve as many students as possible. Planting starts at 12:00pm and will be finished by 1:00ish. Thanks in advance.

Plans for the Argyll East School Spring Tour are well underway and the event is now being advertised on the Argyll East Home and School Group Facebook page. On the afternoon of the event, the tour will stop at our school for afternoon tea. We would like to have displays of spring flowers around the school and are looking for different types of containers for planting. We are hoping to present a rustic look so virtually anything goes - do you have something we could borrow? Maybe an old pushbike, wheelbarrow, barrel, pots, wooden crates? We hope to do the planting over the next week so our flowers are blooming in October. Thanks.

Seesaw feedback - as mentioned in a previous newsletter, we would like to share some of your feedback about our use of Seesaw to inform you of your children's' learning.

- *I like seeing the kids at school learning and having fun. I do feel like I know more about their learning. There's nothing I don't like about seesaw. It's great that the kids can see it too and use it to email.*
- *I like seesaw, I like seeing little extracts from the kids' day and the girls love watching the videos with us at home together. It can create conversations about what they have been learning about in school.*

- *Seesaw is thoroughly enjoyed by us as it makes us feel like we are up to date with our child's progress, it helps us understand how our child is processing her learning by receiving videos of how she is adding/subtracting, and then we can continue this learning at home. We love seesaw for its ease of accessing it and reading/seeing our child's learning development*

Thanks so much for your feedback and please feel free to keep adding your thoughts if you haven't already done so.

Have a great week.

Nga mihi mahana,

Julie Thelwall
Principal

PRINCIPAL'S AWARD

To Reid Bicknell for Relating to Others

Congratulations Reid. I have noticed you on the playground this week, playing with children from ruma tahi and it looks like you have been having fun. You have been sharing your toys in your games and solving little problems when you are playing. Good on you Reid—enjoy your friendships.

NEWS FROM THE BOARD

At the recent meeting the school's mission statement and motto were discussed. We welcome any feedback on these from the school community. The board is also working on putting up a sign advertising the school on State Highway 2, so look out for it soon! The pool is to be repainted before the new swimming season and the courts are going to be surfaced with synthetic grass, so there's lots going on!

**ELECTION NIGHT GET-TOGETHER ARGYLL HALL
Saturday 23rd September**

More to follow soon, please keep the date.

THUMBS UP

- To everyone who attended the Home & School meeting last night, your support is greatly appreciated.
- To the Twist family for letting the school use their farm for cross country training.
- To the parents who coached the soccer teams this season.
- To all children who have returned their sports uniforms!

ONGA ONGA 7S

Thank you to everyone who came and watched their children participate in the Onga 7s. Hopefully you enjoyed watching the sports. It was a thoroughly amazing day and thanks parent helpers who came and managed a team. Unfortunately we didn't come back with a trophy but everyone had a great day. My favourite part of the day was when I scored a mean try in the corner of the field - I just put one hand out and dived - I felt like superman!! (Diego)
My favourite part of the day was when I did a mean move called Pringles which is when you do a box kick from the back of the scrum. (Riley)

By Riley Tautau and Diego Maraki-Pene

MATHS WEEK DRESS UP

It was a fun day at school on Friday with lots of maths dress-ups. Here are some pictures of our winners of the dress up competition.

SCHOOL PHOTOS

School photos are coming up on Wednesday 30th August. If you would like a photo of siblings together please fill out the sibling photo order request form which is available from the office.

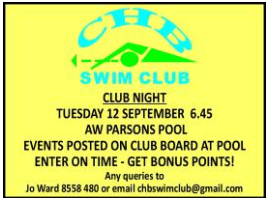

NOTE: Order forms and payment must be returned by Monday 28th August. Individual photos will not be taken without payment.

WANTED FOR HOME AND SCHOOL

Over the next couple of weeks, children will be making beeswax wraps for our Spring Tour goodie bags. Donations of cotton fabric would be greatly appreciated. Please send to school with children. Thanks.
