Achieve and Succeed

Congratulations to our Students of the Week, for displaying the
school habits and values as follows;

Maddie Finch for Using Signs, Texts and Symbols - You had your head down the whole Inquiry session this week- reading, looking at diagrams, photos, maps and using a model to show your learning 2 ways. Thanks for using the clock in order to be an efficient bell monitor. Well done, Maddie!

Finn Davidson for Using Signs, Texts and Symbols and for Thinking - It has been great to see you using new vocabulary that you have learnt from your reading books in your writing. You blew the class away when you used the word 'endemic' in your research questions about weta. Well done Finn, keep making these connections in your learning.

Zoe Shorten for Using Signs, Texts and Symbols - You have had an awesome week with your writing! You have used some great describing words to make your writing more interesting. Well done on sharing all your wonderful ideas through your writing.

Kia ora koutou,

What a wonderful week we have had at Argyll East School, beginning with Ruma Wha's camp last Wednesday. I was so proud of our children, their great attitudes and willingness to take on challenges. We now have some confident optimist sailors among our senior class and it was a pleasure to witness their courage in trying something completely new.

Saturday saw the Spring Tour take place and again I was very proud of our student tour guides who led groups around the wetland, Mangaotai and school. Thanks to everyone, the school looked amazing and I heard so much positive feedback. It made me feel very happy to belong to the Argyll East School community! And so.... a HUGE THANKS to our Home and School group and families who assisted in making the Spring Tour such a success. The weather was perfect for the home and garden visits, the afternoon tea scrumptious and the evening an absolute delight. Thank you so much. The whole event was well organised and a great showcase of our school and its supporters.

At the moment, teachers are busy writing reports and preparing for conferences. We have not yet confirmed our class set-up for 2018 but will let you know your child's class as soon as this is organised. Thanks.

Nga mihi mahana,

Julie Thelwall
Principal

ARGYLL EAST SCHOOL ENVIRO-SCHOOLS REFLECTION DAY FRIDAY 17TH NOVEMBER

Argyll East School enviro journey started in 2004 with a Farm Club being set up. Since then animals have been bought, fed, cared for, shifted, sold and auctioned. Grounds have been developed – old trees cut down and new ones planted. When the dump began costing, recycling of paper and scraps was brought in. In 2017 Argyll East School can be proud of its unique outdoor environment.

As part of being an enviroschool we are asked to reflect on where we are at and work out our next steps. The school and local community are invited to this process. We will start with a welcome at 9.30am and finish with lunch at 1pm. In between there will be a tour of the school, sharing of evidence and working out where we go to from here. If you would like to attend part or all of the session, please let the office know and we look forward to seeing you on the day.
