Achieve and Succeed Me Whai, kia angitū

**Congratulations to our Students of the Week for displaying the
school habits and values as follows:**

Tei Pirie – Big huge welcome to our new friend Tei. You are settling well into your new school and are learning all of the new routines. We hope you have an amazing time at Argyll East. We are so excited you have joined Ruma Rua and can't wait to get to know you more. All the best my friend!

Aurora Gregory for All the Argyll East Habits and Values – Great to see you back at school and ready to take on any challenge in Ruma Toru. You are asking questions that show you are thinking, listening actively and getting stuck in. We love the way you greet us in the morning. We look forward to learning with you this year, Aurora.

Liam Payne for All the Argyll East Habits and Values – Welcome back to school! You have bounced into 2020 with a positive attitude ready to learn. You have quickly settled into the routine of the class and you are working well with those around you. We love your happy smile Liam - Keep it up!

Sam Gregory – Welcome to Ruma Tah! You are so curious and ready to learn. It is so awesome to see how eager you are. You have a great attitude to learning. Keep it up!

Leila Philippotts – Big huge welcome to our new friend Leila. You are settling well into your new school and are learning all of the new routines. You have already made some great friends and are learning to ask lots of questions. We are so excited that you have joined Ruma Rua and I can't wait to see what you have achieved. Keep it up!

Kia ora koutou,

We are off to a great start with a lovely group of children who have all settled into their classrooms well. Thanks to everyone who came along to our Welcome Back BBQ last night. It was good to catch up with you all and to talk about our plans for the year.

I was listening to National Radio on the way home last night and the discussion was around the importance of children learning to swim and cope in real water situations - rivers, lakes and the ocean. Thanks to the parents who have offered to help on our Beach Education day - Briar Gregory, Eileen Kuru, Rosie Buckeridge, Anna Greer, Bryn Menzies, Mereana Pene, Ben Phillpotts and Tracy Boyd. We appreciate your prompt response. Please, if you are able to help, could you return the slip attached by Friday so that we can continue with our planning. We need at least 2 more adults. I will send home a full outline of the day early next week. However to give you good notice I have included bus times below as pick up and drop off times will be different: Argyll Road Bus will leave school at 7.20am (30 minutes earlier than usual) Big bus will leave Waipukurau at 7.15 am, Waipawa at 7.20am and Otane at 7.30am We will be leaving school at 8am to begin the programme at 9.30am. We will return to school around 4.15pm at which time buses will begin their normal home runs. Approximate times for drop off in the afternoon are: Otane - 4.30pm, Waipawa - 4.40pm and Waipukurau 4.50pm.

Thanks to Mrs Owen and Miss Hay for organizing students for this year's Agrikids event. Thanks also to parents who are at school this afternoon for practice activities. Have fun!

Tomorrow we begin "Friday Rotations" which will take place six Fridays of term one. There will be five group sessions running from 12 - 1pm and they will change weekly. The groups are photography - Mrs Owen; Visual Arts - Miss McGrail; Outdoor Science - Mr Stuckey; Scratch/Coding - Mrs Smith and Music - Mrs Thelwall. The groups will move to a different activity each week and there will also be whole school "discovery" for two sessions of the term.

Please ensure that your children are wearing the correct school uniform including school hats. We usually allow other hats in the first two weeks of school while families are getting organised but

expect that by week three, children will be wearing full uniform with school hats. We appreciate your support.

Good luck to students competing in the Weetbix Tryathlon next Tuesday and thanks to Miss McGrail for organising participation at a school level. Thanks also to families assisting with transport and supporting on the day.
