*'A caring, country school growing student potential through
challenge, creativity and play – every child, every day'*

Term 1, Number 4

Thursday 27th February 2020

Achieve and Succeed Me Whai, kia angitū

**Congratulations to our Students of the Week for displaying the
school habits and values as follows:**

Clover Fogarty for Perseverance and Thinking – You came back to school with a bang! You are trying so hard in all your learning and it is fantastic to see. You are persevering and giving everything a go. Awesome work Clover!

Max Ellis for Thoughtfulness, Co-operation and Respect – You have been thoughtful towards others and respected others this week. During Discovery time, you showed good cooperation in your working pair and were successful in creating an undersea submarine. It has been good to see you develop your skill on the football field.

Harry Calder for Managing Self – I am excited to give this award to you for the way you have settled into learning and new routines in Ruma Rua. You are asking questions to further understand and you listen to what is being taught. I can't wait to see everything you achieve this year. Keep working hard and taking risks. Way to go!!

Paraire Mitchell for All the Argyll East Habits and Values – You have made such an impressive start in Ruma Wha. You are an enthusiastic learner who begins each day with a smile. You listen to feedback and think about how to improve your learning. You show kindness to others and are a role model to our junior school. Keep it up, Paraire!

Kia ora koutou,

What a super-duper week it's been. Our Beach Education at Waimarama was really worthwhile and loads of fun. We all learnt some great beach safety messages and then had fun being thrown about by the waves. Everyone managed themselves beautifully - listening, participating and facing new challenges with positive attitudes. Thanks so much to all of our school whanau who supported the day - we couldn't have done it without you!

Swimming sports at Waipukurau yesterday again showed our students managing themselves, being ready for their races, organising their belongings, competing with confidence and determination and succeeding at all levels. Well done everyone and thanks to Sherwood School for the great organisation.

Today we have visitors from the National Aquarium coming to school for the Seaweed Roadshow and tomorrow we welcome Josh Coppins - former NZ Motocross champion. It's been a busy week with lots of positive learning experiences.

Best of luck to our students competing in Agrikids this weekend. We hope you have a great time and we look forward to hearing all of your stories next week.

Next Wednesday we have our DMIC mentor, (Developing Mathematical Inquiring Communities), supporting teachers in class and then continuing professional development sessions with teachers after school.

Constable Che will be at school for bus monitor training next Thursday.

Have a great week.

Julie Thelwall
Principal

CONFERENCES

Conferences are scheduled for Wednesday 11th March and Thursday 12th March. Time sheets are attached to today's newsletter. Please return to school as soon as possible. We look forward to meeting with you. Thanks.

PRINCIPAL'S AWARD

To Harry Calder for Self-Management

Harry - Well done!

I loved listening to you read this week. You are really concentrating and showing a lot of interest in your learning. Everyone was very impressed with your response in assembly on Monday morning. It showed that you have been listening and thinking carefully. What a fantastic start to the year

WELCOME!

Hattie's Mum a past teacher, so welcome back to them too!

Welcome to Hattie Butler who joined our school this week, and a belated welcome to Mr Stuckey, our teacher in Ruma Toru.

Hattie's Dad was a past pupil of Argyll East and
