ARGYLL EAST SCHOOL NEWSLETTER

Live, Learn, Grow!

Term 1, Week 11
Thursday 14th 2022

Students of the Week, for displaying the School Habits and Values as follows:

Etta Ritchie for Respect and Creativity – You are a kind friend to others in our class, who listens carefully and is respectful to all. You have an energetic personality and come to school each day smiling and excited. You like to share many interesting facts and ideas with us. I love your creativity and the way you have created your nature bugs, helped with our class giant weta, and the many different boats you have made to float in the wetland. Keep it up, Etta!

Jock Calder for Respect and Perseverance – Jock, you are an awesome student to have in the classroom because you are always quietly helping others or doing things around the classroom to help out and do so without any fuss. You always make sure everyone is getting along and no one is left out. I'm impressed with how you have come back from being away and persevered with spelling tests and learning our new reading rotations. Keep up the fantastic work Jock!

Aurora Gregory for All the Argyll East School Values – If there was a 'super-award' for being kind and caring you would definitely get it! You are gentle and patient when we buddy read with the juniors and enjoy spending time getting to know them. If others are away you go out of your way to help them catch up and fill them in on what has been happening. You apply yourself with dedication to your classwork and homework and are a delight to be around. Keep up the great attitude and effort, Aurora!

Bella-Mason Burford-Crewe for Perseverance – You have worked so hard this term Bella-Mason. You have made new friends and got to know us all and how our school works. You have gone ahead in leaps and bounds in your learning too by putting in lots of effort and trying every day. We admire you. Keep it up! It's lovely having you in our class and as our friend.

Kia ora families and friends,

We have come to the end of what has been another interesting and challenging term. With covid now in the community and becoming more "normalised" it seems we will be able to participate in more district activities over the coming terms. Dates are starting to roll in for Ripa Rugby, Onga 7's, Ngati Whai etc and children are also getting ready for the winter sports season. It's exciting to think that we can once again get on with "business as usual!" Yay! Bring on term 2!

Next term our focus shifts to Planet Earth and Beyond. We have support from two knowledgeable experts, Julian Thompson, geologist, and Haritina Mogosanu - Space Girl Milky Way Kiwi. Both will support our programme planning and teaching. We are catching up with Julian in the first week of the holidays.

We have some great ideas for next term, including our "Pet a Day" programme. We will be providing a calendar for you to choose dates for bringing your family pet to school. Please look for details in the first newsletter of term 2.

HUGE THANKS to Home and School for their fantastic fundraising work this term and

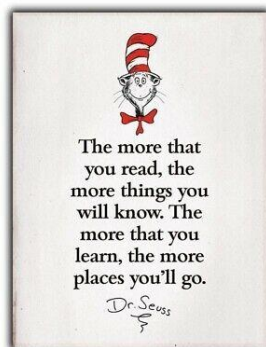

thank you to all of our families and friends for supporting H&S to make the fundraisers a success. We are very grateful for

everything H&S does for us, making sure that we have all of the resources we want and need, and the much appreciated contribution of funds towards the cost of the town bus for families. Thank you, H&S, - You rock!

Congratulations to Raukawa who were the winners of the Club Dance Off on Tuesday afternoon. They win 10 minutes extra play time and 100 points for their club. Well done to everyone for your participation and awesome attitudes!!

Best wishes to everyone for a wonderful autumn holiday - hopefully with lots of sunshine! See you all next term and remember to read lots of books - as Dr Seuss says:

See you soon,

Julie Thelwall
Principal

PRINCIPAL'S AWARD

To Rylee Renata for All our School Habits and Values

You have had another fantastic week of learning Rylee and you should be very proud of your awesome attitude. I love watching you learn because you listen carefully, try

new ideas and use them to help you with new learning. You have lovely relationships with everyone because you are kind and considerate! He rawe koe Rylee!

WELCOME TO NEW STUDENT

Welcome to Richie Butler who joined his sister Hattie at school this week.
