ARGYLL EAST SCHOOL NEWSLETTER Live, Learn, Grow!

Term 1, Week 2
Wednesday 7th February 2024

Congratulations to our Students of the Week for displaying the School Habits and Values as follows:

Gus How for All the Argyll East Values – Welcome to Ruma Tahī and Argyll East School. It is great to have you join us and seeing you enjoy being at school with your big sister. You are settling into class routines and school all with a smile. Gus, we hope you enjoy your school days and cannot wait to see what you achieve.

Maggie Swinburne for All the Argyll East Habits and Values – Welcome to Ruma Tahī and Argyll East School. It is great to have you join us here and getting to know you this week. You are settling well into school life and our class routines. Maggie, we look forward to seeing what you achieve and hope you enjoy your school days here.

Lachie Cameron for All the Argyll East Habits and Values – Welcome to Ruma Tahī and Argyll East School. You are settling into class routines and school life well and always asking me lots of questions. It is great to have you join us here with your big sisters. Lachie, we hope you enjoy your school days and look forward to watching what you achieve.

Maddy Fogarty for All the Argyll East Habits and Values- Welcome to Ruma Tahī and Argyll East School. It is great seeing you join your big sister at school. You have settled well into school life and class routines all with a smile and lots of questions. Maddy, we look forward to seeing what you achieve and hope you enjoy your school days.

Aria Innes for All the Argyll East Habits and Values-Welcome to Argyll East School, Aria. You have settled really quickly into our classroom routines and it has been fantastic to see your curiosity and enthusiasm for learning. You are asking lots of great questions and enjoy sharing your opinions and ideas. Keep it up! It is great to have you in Rūma Whā - we hope you love it here as much as we do!

AJ Innes for All the Argyll East Habits and Values- Welcome to Argyll East School and Rūma Toru, AJ. It is lovely to have you in our class. We already see you making friends and getting on with others. You talk and act kindly and show respect to teachers and your classmates. You are showing us how you persevere to do your best work. You got creative with your arty face we made from dough. You showed integrity when we played games and you played fairly. You already have our Argyll East values! Enjoy your year!

Evie Cameron for All the Argyll East Habits and Values- Evie, you have had a fantastic start to the year. You have been super helpful, kind and respectful. Evie, you have dived straight back into using our classroom rules and routines and when they change, you are able to adapt and help others do the same. You are a great role model for the year 2's in our class because you are always showing our school values. I can't wait to see what you will achieve this year!

Kia Ora families and friends,

What a beautiful way to start the week with lots of sunshine and Waitangi Day!

We have sent the newsletter home a day early this week as we will be at Waimarama tomorrow. Thanks to everyone who has offered to come along for our Beach Education Day. It's shaping up to be a beauty and everyone is getting very excited.

Today with the newsletter, you will find some agreements to sign. We appreciate you returning them as soon as possible. There are some changes to the Bus Contract so please read through. We have also included your contact details and ask if you can please check these and add any medical conditions that we may be unaware of. Feel free to jot them down on the contact details slip.

In light of the government's recent announcement relating to cell phones at school, we ask that students do not bring phones to school or on the bus. If you want your child to have a phone with them for emergency purposes, it must be kept in their school bag at all times.

Next Thursday evening we are having our Back to School BBQ. This year we are having a game on the back field run by Kane and Axel. You are welcome to come along any time after 5pm. We look forward to seeing you and to welcoming our new families!

Have a great week,
Julie

PRINCIPAL'S AWARD

To Jock Calder for demonstrating our vision and values.

Jock, you have started school in such a positive way. This week I saw you problem solving with your friends to sort out some rules for the game that you were playing. You were kind, helpful and came up with some good ideas. You showed what a peaceful, fair person you are and you modelled excellent behaviour to your friends. Well done Jock, you are going to be a great role model again in 2024!

Argyll East School 2024

Home & School Meeting

Home & School Meeting Wednesday 28th Feb 6pm at Skinny Mulligans - come along have a drink and see what we are all about!

During the meeting we will also be Ball planning so if you have any ideas or expertise in this area and would like to join the ball committee we would love to see you.

A Photo from Ruma Toru

These are Ruma Toru's dough faces, cooked and ready to be painted. What an awesome looking class!

Lunch Together in Ruma Tahī

Sport

CHB Hockey AGM - Wednesday 28th February 2024, 7pm
Centralines Building, 17 Coughlan Road
If anyone would like to attend as a school representative please let Samantha know
- sam@argylleast.school.nz

A message from our Technology Centre at Waipawa School.....

Kia Ora CHB school community. I am after empty plastic bottles with lids! Ideal bottles include 600ml fizzy drink bottles and 500ml cream bottles. Smaller bottles such as 300ml are great too.

Ideally the bottle has a tapered design. I am after about 385 bottles! Please can you drop off clean bottles at your school and they will be delivered to the tech centre with the year 7 and 8 students on their next visit.

Why do I want plastic bottles? I am Laura Bridge, one of the tech teachers at Waipawa School. For our first project this year we are making fly fans. To reduce plastic waste going to landfill we would like to reuse rather than buying new ones. The bottles will house our electrical circuits and support the motor that will drive the fan.
