'A caring, country school growing student potential through challenge, creativity and play – every child, every day'

Term 1, Week 3

Thursday 17th February 2022

Achieve and Succeed Me whai, kia angitū

Congratulations To Our Students Of The Week For Displaying The School Habits And Values As Follows:

Johnno Burford-Crewe – It is so lovely to have you in our class and school this year Johnno. You fit in so well with your cheerfulness and willingness to give everything a go. Welcome to Argyll East School. We hope you love it here as much as we do!

Isla Gregory and Addison Oliver for Creativity, Perseverance and Integrity – This week you were asked to create a 'Meet the Teachers 2022' video to share with our families. It was a difficult task that you embraced fully. You had a very limited amount of time and had to create your own script and organise the teachers too. You were able to manage your time, work independently and complete the task to a high standard. Your cheerful greetings to our families was the highlight of the video - thanks for all your hard work!

Ava How for Respect – It is with great pleasure that we give you the first 2022 Student of the Week certificate, Ava. You have become a Year 5 role model over night – showing initiative, kindness and helpfulness towards others. We admire the way you talk and act positively to everyone. We look forward to seeing you really blossom and grow this year, Ava.

Zahra Burford-Crewe and Halen Delamere – Welcome to Ruma Tahī and Argyll East School. You are getting to know everyone and are ready to learn. It is great to see you settling into school well.

Hattie Butler for Respect and Creativity – You have had the most amazing start to the year. You have the most beautiful manners, you are super kind and caring and you are so helpful! You have been getting into your learning, getting crafty in the art area and showing the year 2's the right way we do things in class. You are a fantastic role model and I love having you in Ruma Rū! Keep up this awesome attitude and you will have a fantastic year!

Kia ora families,

Thanks for your support for our Beach Education day. We are grateful for the fantastic team of parents coming along to help with supervision.

Last week, one of our lovely grandparents collected her grandchildren from the bus stop and found some children waiting to be picked up. Of course, we understand that sometimes parents are running late for one reason or another. Our grandmother made the good suggestion that children could have their parents phone numbers in their school bags so that they can be contacted if necessary. I think this is a great idea and would appreciate it if you could put your contact details into their school bags as a safety measure in case you are delayed at pick up time. Thanks.

Next Wednesday we have Karen Daldorf returning to our school to once again offer poolside support to our teachers and students. Karen brings loads of experience and lots of fun so we are looking forward to seeing her again.

Tomorrow is our Teacher Only Day. There will be no teachers on site at Argyll East School as we will be working with the Tikokino school team for the day. We hope you have a wonderful long weekend!

Kind regards,

Julie Thelwall
Principal

PRINCIPAL'S AWARD

This week's Principal's award goes to Austin Buckeridge for Respect and Integrity: What a fantastic start to the year Austin. You have settled into your new class beautifully and I can see that you are really enjoying it! You are making good decisions and working well with others. You are being a great role model for your brother. Well done! I love the time you take to have good conversations with people - children and adults. You are interested in what others have to say. Keep up your awesome attitude Austin. You are going to have a fantastic year!!

BUS AND CONTACT DETAILS

Thank you to all those who have sent back forms. There are still many unreturned. If there have been any changes please ensure you send back forms ASAP. Many thanks.

COMMUNITY UPDATE - 2022 SWIM-A-THON POSTPONEMENT:

Unfortunately, we have made the call to postpone the planned Swim-a-Thon in March due to the uncertainty of what might happen with Omicron in the community over the next few months. We appreciate the amazing support that we have had over the 6 years we have held the event and we will look at holding it later in the year if the situation allows.

The \$36,000 raised over the 6 events so far has allowed us to support CHB Primary Schools with swimming lessons, as well as Deep Water Survival lessons, which has been fantastic. The CHB Swim 4 Lives group will be looking to explore alternative funding options in hopes of continuing its work to support CHB schools despite this set-back for 2022.
