Kia ora to all of our families and friends,

Firstly, a huge thank you to everyone who came along to our Beach Education day at Waimarama on Thursday. What an awesome time we had, lots of learning and lots of fun and we could not have done it without your support. So, thank you and we hope you enjoyed it as much as we did!

This Friday, we are lucky to have Karen Daldorf return to our school offering poolside support for teachers and students. Please make sure your children bring their togs and towels so they can enjoy Karen's expertise!

Still on a swimming note, we are planning an in-school swimming sport event for next Tuesday. All classes will be involved with demonstrations of their learning, fun activities and races. Due to Covid restrictions, the event will not be open to parents and spectators but we will send home photos next week.

Congratulations to our senior students who have become leaders for 2022. They are:

- **School Leaders** - Isla Gregory and Addison Oliver
- **Sport Leaders** - Paraire Mitchell, Lily Kent and Lily Shorten
- **Enviro Leaders** - Maddie Butler and Isla Gregory
- **Arts Leaders** - Laura Brun and Lottie Smith
- **Library Leaders** - Liam Payne, Stephanie and William Cook
- **Our Club leaders are:**
- **Kūkūwai** - Liam Payne and Lottie Smith
- **Waiū** - Eva Bailey and Ruby Drepaul

- **Raukawa** - Maddie Butler, Charlie Calder and Brooke Hutcheson
- **Mangaotai** - Finn Davidson and Paraire Mitchell.

Well done to everyone who applied for the positions. We appreciate your enthusiasm and willingness to be leaders and role models at school. We also congratulate Isla Gregory and Addison Oliver on being selected for the CHB Sports Academy. We are so happy to have you representing Argyll East School. To those who were not successful in their applications, we know that you are amazing sportspeople and that you will make your mark in your respective sports. Kia kaha!

We are looking forward to a visit from Ruud Kleinpaste next Thursday 3rd March. I know everyone will really enjoy his passion for bugs as we explore and identify bugs in our beautiful school environment!

Included with this week's newsletter is a short Learning Conditions Audit that will help us prepare for the possibility of an Omicron outbreak at school. Please be assured that face to face learning will always be our preferred method for teaching and learning. However, in these uncertain times, we do require you to complete and return the attached form to school as soon as possible so that we are prepared for any situation that may occur. Thanks for your understanding.

Have a fantastic week everyone,

Julie Thelwall
Principal

BUS AND CONTACT DETAILS
