Students of the Week, for displaying the School Habits and Values

Cooper Greer for All the School Habits and Values

– You have had an amazing start to 2022 and come to school with a big smile. You are ready for learning, listen carefully, try your best, and give everything a go. You have enjoyed exploring for bugs, shared lots of information, and asked many questions. Cooper, you are a kind and caring friend to all in our class. Be proud of yourself.

Jett Buckeridge for Respect and Perseverance

– You have had a great start to the term! I have really liked hearing you use your manners in class, you have been participating in most of our activities and you are making sure your work is tidy. Keep up this great attitude and you will have a fantastic term full of smiles, great learning and fun.

Stephanie Cook for All the School Habits and Values – What a fantastic start to the year you have had, Stephanie! You have shown great perseverance as you apply yourself to all of your learning. You have a fantastic attitude and it is great to see you continue to grow as a leader in our school. Keep up the great attitude!

Tafale Eni-Isaako for All the School Habits and Values – You are a joy to have in our classroom, Tafale. You can always be trusted to do the right thing even when no-one is watching. You talk and act nicely to everyone. You persevere in your work and always try your best. What a lot you will be able to achieve this year- and in your life- with your attitude, and your smile!

Kia ora to all of our families and friends,

It is certainly looking and feeling like Autumn. It even feels a little earlier than usual with all the rain and cooler weather we have been experiencing.

Ruud Kleinpaste is at school today. He is so much fun and has everyone squirming in their seats watching wetas run all over him! We have learnt about biodiversity and ecosystem services, been exploring and identifying all types of bugs and interesting plants and really appreciating our natural environment! Thanks Ruud for your awesome visit to our school!!

On Tuesday we held a small school swimming sports event which was lots of fun. Students were able to demonstrate their skills, with the junior levels seeing what to expect in the future and the senior levels seeing the progress they have made over the years. The sun shone and we were inspired by synchronised swimming, some races and lots of confidence building games. Everyone participated with enthusiasm and then enjoyed ice blocks to celebrate another good swimming season. Well done everyone!

Special thanks to John Boyd who has been looking after our school grounds while Wade is away. We appreciate your help John.

A very special welcome to Caroline Clark who has become a member of our School Board of Trustees. Thanks so much Caroline for your willingness to support our school in this important role.

We are holding a working bee to move our chicken coop to the opposite end of the school. The working bee is on Sunday 20th March 8.30am - 12.30pm. Raising chickens provides lots of learning opportunities for our children and by moving them they will be more accessible to everyone at school. Please complete the attached slip and return to school if you are available to help. Thanks for your support!

Have a great week everyone,

Julie Thelwall, Principal
