'A caring, country school growing student potential through challenge, creativity and play – every child, every day'

Term 2, Week 2
Thursday 13th May 2021

Achieve and Succeed Me whai, kia angitū

Congratulations to our Students of the Week for displaying the school habits and values as follows:

Harvey Te Nahu Thomson – Welcome to Ruma Tahī! You are so curious and you are trying your best to learn how to be an awesome Argyll East student. It is great to see how confident you are. We hope you have a great time here.

Sam Gregory for All the Argyll East Habits and Values – You have had a great start back to this term. You are always so kind and caring towards others around the school. In class you listen carefully, participate, always have a can do attitude and try your best in everything you do. Sam, keep up the amazing work.

Matthew Valentine for Participating, Respect, Thinking and Relating to Others – You have returned from the holidays and got stuck into learning, friendships and play. You quietly do the right thing and we know we can rely on you, Matthew. You led your group of orienteers with respect, patience and perseverance until you reached the end of the course - and it was a challenge! Thanks for the kindnesses you show, talk and act every day.

Benjamin Valentine for All the Argyll East Habits and Values – Your kindness, patience and caring for others was very evident this week when you were partnered up with a junior student for the orienteering task. You spoke kindly, took your time and showed great leadership skills as you gently guided them through the course. We are lucky to have senior students like you in our school.

Kia ora koutou,

Lovely rain - I'm sure it is appreciated by many! We certainly need it at school to refresh our tanks. We are settling back into our learning routines. It was great to see so many students stand up and report on their weekend sports at assembly this week. Sounds like everyone is happy to get back into winter sports!

Thanks Home and School for your hard work over the holidays to fundraise for our school at the 4WD event. And thanks for the hot lunch today. We really appreciate everything you do for our school!

We are looking forward to Sherwood School visiting us this Friday for lunch and the Kaboom Show. Everyone is very welcome to come along and enjoy the show with us. The show begins at 1.30pm in the Argyll hall.

Thanks to families for making sure your children are wearing the correct school uniform each day. We ask that students do not wear track pants or shorts with logos and that they wear the school sweatshirt. We are happy for them to wear a warm jacket on cold days. We look forward to seeing everyone in full school uniform for photos on Monday. Thanks for your support.

On Friday 21st May, we are going to CHB College to watch their production of Moana Junior. We will be travelling by school bus with some senior students travelling in teachers' vehicles. It is also Pink Shirt Day - an opportunity to talk about the issue of bullying, what it looks like and how to respond to it. Students can wear pink or white clothes to school next Friday to raise awareness about bullying.

Today I am sending home by email our Health survey for your comments and thoughts. We carry out a health consultation every two years and develop our school programmes based on your wishes and priorities. Thanks for taking the time to complete this survey.

Have a great week everyone.

Principal
