ARGYLL EAST SCHOOL NEWSLETTER Live, Learn, Grow!

Term 2, Week 10
Thursday 7th July 2022

Students of the Week, for displaying the School Habits and Values as follows:

Charlie Kent - for Respect, Integrity and Perseverance You are kind to all of us.. You always talk and act nicely. You have your head down, working away whenever we see you in class. You listen actively. Mrs Smith had you in her class last week and she agrees with us-100%. We all love having you in our class, Charlie. (decided upon and agreed unanimously by the students of Ruma Toru in the absence of Miss Hay)

Isla Gregory For all the Argyll East Habits and Values You are such a thoughtful and caring classmate Isla. You go out of your way to help out others and will act when you see a need - from making new students feel welcome, to cleaning the classroom and even sewing the teacher a rat! You always apply yourself fully to your work and love being challenged with new learning. You take your school leadership responsibilities seriously and can be relied upon in all situations. You're a shining star Isla - Keep it up!

You have worked so hard this term, Isla.
Isla Campbell For all of the Argyll East Values You have worked so hard this term, Isla. You love learning, and this is shown by the excellent progress you are making across all your learning. You continue to share your ideas and ask many questions. You have also enjoyed participating in Gymnastics this term. You have a kind smile, are a great friend to others, and make our classroom an awesome place to be. Isla, keep up the great work, you are a star!

Clover Fogarty For all the Argyll East Values Clover, everyone loves having you in Ruma Rua; they are drawn to your bubbly personality and your kindness. You always make sure that everyone feels included and you get on with your work no matter who I peer you up with. You have been working really hard this year to learn new maths skills and you have been learning how to research and put information into your own words for your reading assignments. You are a fantastic student and I just love having you here at Argyll East!

Kia ora families and friends,

Finally, the Otaia/Lindsay Bush planting has taken place. Everyone enjoyed their morning with the children from Lakeview Kindergarten. Miss Hay said that our children were amazing, working so well with the pre-schoolers. Well done team - thanks for making our environment a better place!

Next Monday, our staff are meeting with Phillip Morris to learn more about Ngā Ara Tipuna. We will visit all of the local pa sites and learn more of the local stories. We look forward to building our knowledge to share with our children as the NZ Histories curriculum becomes a more regular part of our school curriculum.

Well done to everyone for getting into the spirit of "Book Week". We have been sharing picture story books every afternoon which has been fun. Thanks for coming along today to check out the great learning we have done in term 2.

Reports are coming home with children today. Most children will receive reports except for those in Tahi and Rua who receive anniversary reports.

I hope you all have a wonderful winter holiday. Remember to share lots of fun reading while snuggling up on those cold winter days. See you next term,
Julie
