ARGYLL EAST SCHOOL NEWSLETTER Live, Learn, Grow!

Term 2, Week 1
Thursday 27th April 2023

Congratulations to our Students of the Week, from the last week of last term, for displaying the School Habits and Values as follows:

Rusty Wakelin for All the Argyll East School Habits and Values – You have grown in your confidence this term, Rusty, and it has been lovely to see you be a leader in Ruma Tahī. You are keen to help others out, show them the correct way we do things at school, and share your many ideas and wonderings. You should also be proud of all the fantastic maths and reading you have been doing at both home and school. It's been lovely to see you so keen to participate in the sewing sessions, our Easter rotations and football at lunchtime. Rusty, be proud of yourself.

Jacob Dingle for Participating, Persevering, Contributing and Respect – Jacob, you have really settled into our class and school and you are making fantastic progress. You are contributing your ideas in class discussions and we love to hear what you think. You are respectful and kind to everyone and making lots of friends. We love having you in our class and we look forward to a great term two with you!

Claire Fauao for All the Argyll East School Habits and Values – Thank you for always having a positive attitude to learning Claire. I can always rely on you to be doing the right thing in the classroom and I love seeing you light up with excitement when you are enjoying yourself. This term you have worked hard to produce a range of different poems as part of our writing unit and these have been displayed in the class and shared with your family. You are a great friend to others - I really love reading about all your adventures each day in your journal. Keep up the awesome work Claire - Malo lava!

Clover Fogarty for Respect and Perseverance – Right up to the last hour of school this term, you are enthusiastic and happy towards learning and others, Clover. You have had a great first term in Ruma Toru. You settled in quickly and you have made super progress. We especially notice your love of writing. You get on with everyone. You are always kind and respectful. Have a wonderful holiday with your family Clover.

Kia ora families and friends,

We were off to a shaky start for term 2! It was great to see everyone following the procedures that we practise in case of an earthquake. Everyone remained calm and collected and we were all safe albeit a little shaken ourselves.

I know you will have received communications from your children's class teacher with information about the planned activities for term 2. It's promising to be a full-on term, full of learning.

Local history is our focus and we look forward to working alongside you to bring out the stories of our community. We will keep you updated on where we are at with this project and how you can participate.

CHB College is putting on a production of Shrek the Musical, see advertisement below. The whole school is going to see this show on Friday 12th May. We're looking forward to it.

So, enjoy the crisper mornings and evenings, keep yourselves safe and welcome back for term 2.

Julie

HOCKEY PROGRAMME

A 6-week school wide hockey programme begins on Wednesday 17th May. This will be delivered by Annabelle Campbell. Mouthguards will be compulsory for every student for them to participate in this programme.

PIE WARMER

The pie warmer is now available to heat lunches for students. Please send lunches to school in clearly named tin foil. Thank you.

Home and School would love more recipes for the cookbook, written in a word document if possible, but otherwise a photo of the recipe would be fine. Many thanks.
