ARGYLL EAST SCHOOL NEWSLETTER Live, Learn, Grow!

Term 2, Week 2
Thursday 4th May 2023

Congratulations to our Students of the Week for displaying the School Habits and Values as follows:

Tommy MacKenzie for All the Argyll East School Habits and Values – You have had a fantastic first week back at school. You have come back ready to learn, settled quickly into routines and are showing others what a great leader you are in our class. It has been great to see how much your confidence has grown and the amazing writing you are doing. You can think of an idea, sound out the sounds in the words using your spelling fingers and you are using full stops. Tommy, keep up the awesome work!

Austin Buckeridge for All the Argyll East Values – You have got stuck into classwork and learning straight away this term, Austin. You are surprising yourself with the writing and maths you can do. You can see your growth in learning and you are super proud - as you should be! You role-played thoughtfully and with maturity, dramatising a pūrākau. You used your imagination to draw an effective representation of the atua - fantastic creativity!! What an awesome start to the term.

Neve Barrett for All the Argyll East Habits and Values – You are so much fun to have in class, Neve! You give everything a go with a great, positive attitude and enjoy finding the humour in situations. You set yourself goals in learning and work hard to achieve these. I enjoy working with you in our small maths workshops where you spend the time asking and answering questions to build your understanding. You work well with everyone and have built some great friendships in the class. Keep up your positive attitude towards everything Neve - you rock!

Evie Cameron for All the Argyll East School Habits and Values – You really blew me away with your awesome results in your iDeal spelling test at the end of last term and your great results in your reading! You have now come off decodables and are now on to PM books which is so awesome! Ka pai Evie! You are a super helper in class and are a great role model to others because you listen, follow instructions and can work independently. Keep up this fantastic work Evie!

Kia ora families and friends,

I hope you are enjoying the warm May weather! Maybe not the cluster flies so much!

Our Teacher Only Day was informative, and along with delving a little further into the Refreshed Curriculum and the Aotearoa NZ Histories Curriculum, it really pushed home the benefits of telling stories and reading for pleasure - something we can all do with so many positive outcomes for ourselves and our children.

We have had a good settled week after last week's bumpy start, and today we had a visit from Susan Davidson who is our resident artist for our Local History Creatives Project. Classes are looking at different aspects of Aotearoa history and we are excited to be implementing this new curriculum area, learning more about Argyll East and Aotearoa.

Next Friday 12th May, we are going to CHB College for the matinee presentation of SHREK The Musical, Junior. We are really looking forward to it. We will travel into the college by bus and some seniors may travel in teacher cars if needed. The production runs for approximately one hour so we will be back at school by about 2.30pm. We will have an early lunch on the day.

The following Friday, 19th May, we are participating in the 5-a-side competition, organised by Elsthorpe School, with other small rural schools from CHB. This is another whole school event and we will send out details over the coming week. Mouthguards will be required and we will need parent helpers.

Some of the Farm Club students are visiting the Stortford Lodge Saleyards

next Wednesday with Miss Hay, Bevan and Malcolm. Our school cattle are ready for sale and it is a great opportunity for the children to learn about the process. Thanks to Miss Hay and our Dads for organising this.

Have a great week,

Julie

PIE WARMER

The pie warmer is now available to heat lunches for students. Please send lunches to school in clearly named tin foil. Thank you.

THUMBS UP

- To Kane Haftka for updating our road sign with our vision statement - it looks fantastic thanks Kane!
- To Brooke and Aurora for giving up their lunchtime on Wednesday to help organise art resources. Thank you!

CENTRAL HAWKES BAY COLLEGE OPEN DAY - SECONDARY DISCOVERY DAY

TUESDAY 9th MAY 2023, 9.30am to 2.30pm

Information has been sent home with year 8 students. Our regular technology class at Waipawa has been changed from this day to Friday 2nd June.

HOCKEY PROGRAMME

A 6-week school wide hockey programme begins on Wednesday 17th May. This will be delivered by Annabelle Campbell. Mouthguards will be compulsory for all students.

PRINCIPAL'S AWARD

Congratulations to Lachlan Foley for All our School Values and Habits

Lachlan, you always step up to help others and you do it with pleasure. You are active in your farm leader role, making sure meetings are organised and carrying out jobs both independently

and with support. You have a wonderful sense of humour and often have us in fits of laughter. What a great role model you are Lachlan!
