## ARGYLL EAST SCHOOL NEWSLETTER Live, Learn, Grow!

Term 2, Week 3  
Thursday 11<sup>th</sup> May 2023

### Congratulations to our Students of the Week for displaying the School Habits and Values as follows:

**Olivia Foley for All the Argyll East School Habits and Values** – Olivia I just love having you in our class because you are always kind, respectful and you are super helpful in the classroom. I really enjoy how you come to school in the mornings and greet each teacher with a such a warm welcome and a big smile. You are always kind to all your friends and you make sure everyone is happy and treated fairly in the games you play. You love learning and I can't wait to see what you achieve this year.

**Britta Oliver for All the Argyll East School Habits and Values** – Britta you have shown dedication in your role as a sports leader by cleaning out the PE shed and assisting in cross-country warm-ups, embodying the values of respect and integrity in the process. You always display an eagerness to learn through asking thought-provoking questions and taking an interest in the schoolwide focus on our local history, showcasing your curiosity and creativity. Keep up the positive attitude and willingness to try new things, Britta!

**Mathilde Menzies for All the Argyll East Habits and Values** – Mathilde, you are a great role model to others in Ruma Tahi. You make the right choices in class, can work independently on your own, and are always happy to help others when needed. You arrive at school each day with a friendly smile and ensure you're ready. I enjoy listening to your stories and ideas that you happily share with the class. You are a great friend to others too. Mathilde, you are a star!

**Charlie McCormick for All the Argyll East Values** – You always do the right thing, Charlie. You get on well with everyone and everyone likes you. It's your great smile, kind words and positive actions. You try really hard in all tasks at school - learning a new multiplication strategy, creating a story on seesaw, being part of a soccer team... Thanks for being you, Charlie! You're fantastic!!

Kia ora families and friends,

Another week of sunshine and cluster flies. So far, it's been a warm May!

Our weeks are getting busier as we start to get stuck into our programmes for term 2. We have lots happening including trips away from school for drama, sport and farm club.

Next Monday our senior girls in year 6-8 are involved in Self Defence classes provided by the Women's Self Defence Network and funded by Te Oranga Tamariki. The session will be presented by Brie Sergeant who has run the programme over the past years.

Tomorrow we are going to the CHB College to watch their production "Shrek, The Musical, Junior". Everyone is looking forward to the show. We will travel by bus to and from the college and some senior students may travel in teacher cars. Our timetable will change on Friday, including early break times, to suit the show, which starts at 1pm. We will be back at school in time for the afternoon buses.

It sounds like the Farm Club have had a great week with the sale of the school cattle. They have looked at the whole process of getting the cattle ready for sale through to the actual sale at the Stortford Lodge sale yards. Well done to all of them for their enthusiasm and thanks to all those who have been involved in the organisation. Look out for a report about this in the Farmers Weekly.

We have some samples of school uniforms from "Stitch Me" available at school for you to look at. Order forms are attached. These can be ordered through school. Please fill in order forms, pay online and return forms to school. Thanks to families who are making sure their children are wearing correct school uniforms. We appreciate it.

Our Kāhui Ako have been developing some maths videos to share with families. The first is a short game aimed at developing place

value knowledge. The following link will take you to the game: [Maths Games for Whanau - Episode 1.mp4](https://www.chbkahuiako1.co.nz/). You can also access this game and other resources on our Kāhui Ako website <https://www.chbkahuiako1.co.nz/>

Have a great week,

Julie
