ARGYLL EAST SCHOOL NEWSLETTER

Live, Learn, Grow!

Term 2, Week 3
Thursday 19th May 2022

Students of the Week, for displaying the
School Habits and Values as follows:

Sam Gregory for Integrity and Creativity – Sam, this week you have been really focused on completing your work and have been having lots of fun at the right times in class. I have really enjoyed reading with you and your group because you share your prior knowledge with us and you have lots of ideas about the books we have been reading. It's great to see that you have been working on completing your reading assignment to a good standard this term and I love hearing the facts that you find out about the animals. Keep up this awesome learning attitude Sam!

Austin Buckeridge for All the Argyll East Values – We have been so proud of you this week, Austin! We noticed how kind and caring you have been when working with younger children. You showed patience when teaching ball skills and we saw you go back and help others when walking through the farm. You showed great integrity when you thanked Miss Allen at the end of the day - what a superstar! It has been a pleasure to have you in the junior school.

Addison Oliver for All the Argyll East Values – You are such a reliable, dependable and diligent member of the classroom. When you see a need you act on it without prompting which shows great leadership and integrity. You always strive for excellence and it has been great watching you now begin 'tutoring' others as you share your knowledge and understanding. We are lucky to have you in our class, Addison!

Etta Ritchie for All the Argyll East Values – You have had an amazing week at school, Etta. I like the way you have worked hard in all your learning and given it all a go by yourself. You are sounding out all your sounds as you read and write. You enjoyed exploring the farm for fossils this week with a buddy from Ruma Toru and asked them questions and shared your ideas with them. You are a lovely friend to others and we enjoy having you in Ruma Tahi. Etta, you are a star!

Kia ora families and friends,

We are having interesting days with lots of children absent with different bugs - not necessarily Covid. Thanks again for keeping them home when they are unwell as the bugs seem to be highly contagious and the symptoms are really knocking people about. Yesterday our Public Health Nurse informed us that there is Norovirus in the community, which could be impacting our school. Miss Hay is also unwell and postponed the planting day at Otaia/Lindsay bush. We will let you know when a new date has been decided.

For a couple of days last week, we split Ruma Toru into our other three classes. I'm happy to say that I received amazing feedback from teachers and students about their days together. Tuakana teina was the most positive approach we could have taken under the circumstances. All age groups worked beautifully together, enjoyed each other's company and the opportunity to learn from each other. This week, we split the class again on Wednesday and Mrs Golden is teaching Ruma Toru today and tomorrow. Thanks to everyone for their cooperation and positive attitudes!

We are enjoying "A Pet A Day" and our calendar is really filling up. Keep sending in your slips as we are happy to run this programme for as long as it takes. We still plan to have our Pet Day later in the year as it is a favourite for everyone!

Tomorrow is Pink Shirt Day for Bullyfree NZ. Classes have been talking about different types of bullying and how we can address these issues. Children can wear pink or red clothing as part of the programme of awareness. We are sharing our learning at our assembly this week.

Our year 7 & 8 students visited Central Hawkes Bay College on Tuesday for a

Discovery Day, focusing on transition from intermediate to secondary school. This is always a great opportunity for our senior students to experience and think about what it will be like to be at high school. It is a great follow up after our visit from Xavier and Mr Christiansen a couple of weeks ago.

Best wishes to all of our children, staff and families who are unwell. I hope that these bugs quickly move on so we can get back to normal asap!

Take care everyone,

Julie Thelwall
Principal

PRINCIPAL'S AWARD To Aurora Gregory for All our Values and Habits

Aurora, I absolutely love your kindness and consideration for others. I often see you noticing situations where someone may be upset and you immediately go to them and help them out. You look after people who are new to our school, making sure they are included and comfortable and you always have a lovely smile and kind word for everyone. Thanks Aurora - your special qualities radiate!

GRAPEVINE

An updated grapevine is attached. Please check your details and let the office know as soon as possible if there are any changes required.

Year 7/8: Argyll /Tiko/Omakere vs Flemington Force @ 11am, Court 2

Football:

Saturday 20th May @ 9am - Russell Park

NATURAL CLOCKS

Ruma Toru enjoyed making some great natural clocks this week.

BULLYING - WRITING FROM RUMA TORU

Today in Toru we talked about bullying. We learned that there are different kinds of bullies. Some bullies verbally abuse people by saying mean words or swearing. You get bullies that physically hurt you and kick you. When you are playing a game on the internet you can be exposed to cyberbullying or when you have a phone and someone sends you mean messages.

We learned that we need to talk to teachers or to our parents when we are getting bullied. At Argyll East School we do not accept bullying behaviour, and we look after each other by speaking up if we see children not treating each other the way they should.

HEALTHY LUNCHES

A recipe for a healthy lunch is attached.
