ARGYLL EAST SCHOOL NEWSLETTER

Live, Learn, Grow!

Term 2, Week 4
Thursday 26th May 2022

**Students of the Week, for displaying the School
Habits and Values as follows:**

Evie Cameron for All the Argyll East School Values – You have had a lovely week in Tahī, Evie. You have a positive attitude to learning, and take on feedback to improve your learning. You should be proud of yourself. You are kind and respectful to others at our school, and greet people with a smile and friendly hello. Thank you for helping others in our classroom and showing what a great leader you are. Keep it up Evie. You should be proud of yourself.

Harry Calder for Creativity – For a great effort in drama and mime. You put in 150% and gave a wonderful performance. Thank you for being a great entertainer. Keep up the good work.

Archie Mackenzie for Integrity and Creativity – Archie, I am so proud of how far you have come this year with your learning. You are becoming a whizz at using your fingers to add and take away numbers up to 20. You have learnt many sight words which have helped you with your reading and you are using the ones you know in your writing. I love hearing you sound out words you don't know and you are trying your best to write letters the right way round. Keep up the fantastic work Archie!

Eva Bailey for Integrity (absent) – It has been so great to have you back at school, Eva! You quietly participate in all activities sharing your ideas and knowledge with younger students. Your positive attitude has been evident this week, both in the classroom and playground. You can always be relied on to be doing the right thing which is a real sign of integrity. Thanks for all that you do, Eva.

Kia ora families and friends,

We had a great start to the week with a visit from Julian Thomson, a geologist with loads of information to support our Planet Earth learning. He was so enthusiastic and humorous and really added to our classroom programmes. Every child was entranced with Julian's stories and the interesting rocks, bones and fossils that he brought with him to share. On Tuesday he returned to Argyll to work with our teachers as they continue planning for the rest of the term. We look forward to meeting with Julian again during the term.

Last week I met with our school leaders and they have some fantastic ideas for fun activities catering to all children and including sport, fun games, music and dance, just to mention a few. The leaders have been working together to make plans and their collaboration and cooperation, when working with each other, is developing into some days of fun for everyone.

With the Gymnastic Festival coming up we are having gymnastics practices every day, both whole class and lunchtime practices for those students in year 4-8 who want to participate in the festival. Thanks to our senior class who helped with the setup of equipment in the hall, and to teachers who are running the festival practices at lunchtimes.

Well done to everyone who dressed in pink/red for Bullyfree NZ week. We had lots of discussions about treating each other with respect, which is one of our school values, and also steps to take if you feel disrespected by someone. This might mean talking to mums and dads, teachers or other trusted adults. The only way to stop bullying is to talk about it with everyone involved.

A special thanks to Moe who has become our new cleaner. We are very grateful Moe, that

you have taken on this important role in our school.

Have a great week everyone,

Julie Thelwall
Principal

PRINCIPAL'S AWARD To Brooke Hutcheson for All our Values and Habits

Brooke, you are a gorgeous girl, so considerate and caring of others. I really appreciate that you are stepping up and taking on leadership roles on the bus and in

our school. You think for yourself and you do not let anyone influence you if it doesn't feel right. Well done Brooke. You are a good friend and a conscientious student. Keep on being the awesome individual that you are!!
