ARGYLL EAST SCHOOL NEWSLETTER Live, Learn, Grow!

Term 2, Week 5
Thursday 26th May 2022

Students of the Week, for displaying the School Habits and Values as follows:

Gypsy Mackrell for Respect and Perseverance – Gypsy we love having you in Ruma Rua because you have such a lovely smile, you are kind and caring towards your friends and you have been sharing your ideas around rocks, volcanoes and fossils. We love to see your enjoyment for reading and your confidence with sounding out words helps the rest of the group to figure out tricky words. We have been impressed by your gymnastics skills this week and seeing your techniques improving. Keep up the great work Gypsy!

Juliet Robinson for All the Argyll East Values

– We can rely on you to do the right thing in our class. You are a great role model, Juliet. You take on challenges and new learning opportunities when they are presented to you. You ask questions and make connections with what you already know. We can see you maturing and growing this year.

Zahra Burford-Crewe for Argyll East Values (absent) – You have had a great week in Ruma Tahi. I have enjoyed listening to your wonderings and sharing your ideas with others about fossils and volcanoes. We think that you would be a great explorer. It is wonderful to see you enjoying your break time with your friends and having lots of fun. Zahra, keep up the awesome work.

Laura Brun for All the Argyll East School Values (absent) – You are such a great role model in our classroom, Laura! You work well with everyone and always make sure others are included. You work diligently and always strive to produce work that you can be proud of. You have led your group to create and perform a bully free role-play using your drama knowledge and experience. You lead with kindness which is such a great quality.

Kia ora families and friends,

Winter has begun and we are having lots of absences with sick children and teachers. On Monday we had more than one third of the school absent. This does make it difficult for teaching and learning which has been fragmented this term, but we can only "go with the flow". I'd like to say thank you to my teachers who are working really hard to meet the needs of all of our students by offering hybrid teaching which is face to face and online learning. This takes additional time to prepare, present and follow up. So, thanks teachers for going the extra mile to make sure that learning is available to everyone, no matter the situation. And, we certainly look forward to a time in the near future where we are back to normal with everyone once again enjoying full weeks at school.

On Monday we began some Nature Rotations. Teachers have some cool ideas to teach skills using nature as the inspiration. We are seeing weaving, rock art, photography and flax weaving and all year levels will have a turn trying each activity. We have added some photos to our facebook page.

As part of our geology learning, we are making a trip to the Lime Quarry on Tikokino Road. If the weather allows, we will be going on Friday 17th June between 10am and 12pm. We will send home more details next week.

The Otaia/Lindsay Bush planting day will take place on Tuesday 14th June. Those children who are involved will receive information from Miss Hay over the coming week.

We are still enjoying "A Pet A Day". Everyone is learning so much about all of the pets that we are meeting. We have had different dog breeds, a pony, a wild rabbit - we never know what to expect and it is always a lot of fun - especially with the naughty pets! We've had lots of great questions and stories being shared. And we've had lots of laughs. Thanks to all of our parents for bringing the pets to school - we appreciate it.

I hope you all have a great long weekend for the Queen's Birthday.

PRINCIPAL'S AWARD

To Tegan Wright for All our Values and Habits

Tegan, you are such a pleasure to work with and you always make me giggle when we are practising your reading. You greet me so nicely every morning - you make

me happy to be at school. You are persevering in your learning and making good progress. You are caring and kind to all of your friends. Keep being awesome Tegan!!

RE-FLOATING THE PONTOON

On Wednesday Malcolm Campbell came and helped Farm Club to re-float the pontoon. We had to take a lot of debris off the ropes and check all the attachments.

NAG 4, FINANCE AND PROPERTY

The Board of Trustees reviewed the above policy at their recent meeting. It is now available for comment in the school office.

THUMBS UP:

- To Malcolm Campbell for giving up his lunchtime to help us re-float the pontoon. Many thanks.

GYMNASTICS FESTIVALS

Wednesday 29th June, Yrs 4 - 8 at Waipukurau Stadium

Thursday 30th June, new entrants to Yr 3 at Tikokino school

Netball/Miniball/Football/Hockey - Year 1/2: NO GAMES - DUE TO QUEEN'S BIRTHDAY

WORKING BEE

1PM Sunday 19th June

This working bee is to move the chicken coop and do a few other jobs around the school. All help would be very much appreciated. Please contact Malcolm Campbell, 027 417 7447, if you have any questions.

A MESSAGE FOR YEAR 8 STUDENTS FROM CHB COLLEGE

CHB College is currently taking enrolment appointments for next year's Year 9 students. It is important that enrolments are completed prior to students sitting the Entrance exam which is due to take place on Friday 11th November. (Further information on the entrance exam will be sent out nearer the time.)

The college website has the ability for parents/caregivers to complete an online enrolment. Once they have completed their online enrolment, they will be contacted by the College to book their enrolment appointment and complete their enrolment.

Please find link to the website below:

CHB LIONS ANNUAL BOOKARAMA

Friday 17th to Sunday 19th June

At CHB Municipal Theatre, Waipawa

Please help this fundraiser by dropping off surplus books, puzzles etc before the event, either at 100% Winloves in Waipukurau or at Tim Chote Appliances in Waipawa.

NEWS FROM THE BOARD

The Board of Trustees met this week for our term two meeting. We appreciate the level of stress and increased workload for our teachers who continue to deal with high absentee numbers. Our teachers are having to oversee hybrid learning as well as continuing with their normal day to day teaching. The uncertainty of class numbers is a constant disruption for our teaching staff and we applaud their ongoing efforts.

Our two teacher aides are integral members of our teaching team and we see the results of their input not only on the students but also on their teaching colleagues. This year, due to Covid, we have not had any parent or community helpers in the school but we are keen to resume this help. If anyone would like to offer their time to give reading assistance to pupils in school time, please contact the school.

Our old school building is in a state of disrepair and is in urgent need of funding to preserve it. This is a community owned building, not school owned, and does not have heritage building status. If anyone is interested in taking on the task of applying for funding for this project, or has any suggestions, please contact the school.

The Board of Trustees election is coming up on September 7th and we are looking for new members to stand. As a member of the BOT you are afforded the opportunity to help shape the character of the school and develop a greater awareness of how the school runs. If anyone is interested in this role, please contact any member of the board for more information. The latest grapevine lists all board members. There will be a school open day in July at which board members will be present to chat to.
