ARGYLL EAST SCHOOL NEWSLETTER Live, Learn, Grow!

Term 2, Week 6
Thursday 9th June 2022

Students of the Week, for displaying the School
Habits and Values as follows:

Olivia Foley for All the Argyll East School Values – It is lovely to have you in Ruma Tahī. We appreciate your cheerful greetings and conversations in the morning with your friendly smile. You have a positive attitude towards your learning and should be proud of the progress you are making. I have enjoyed listening to the way you sound out all your sounds and words as you read and write. You always show kindness and respect and are a great role model in our class. Olivia, you should be proud of yourself!

Charlie Calder for All the Argyll East Values and Habits – The way you strive to do your best in everything you do is such a great quality, Charlie. You listen carefully to instructions and take on feedback and make changes where you need to. You always ask thoughtful questions which show you are thinking about your learning. We all love your fun personality and cheeky smile, you make our class a great place to be. Keep it up Charlie!

Mia Hutcheson for All the Argyll East Values – You are always positive and happy to try and do any task put in front of you, Mia. You persevere to do your best - like mapping the school this week. You are creative in your ideas - like visualising and making predictions in your reading. You are a good friend. It is lovely to have you in our class.

Will Greer for Respect and Perseverance – Will, I am so proud of how hard you have been working this year and we can all see the progress. It's so exciting that you have learnt all your letter names and sounds and are now using them in your writing. You have been doing a fantastic job with sounding out any tricky words during reading time and your bank of sight words is growing. Will, keep up this awesome learning attitude because you are doing so well!

Kia ora families and friends,

I hope you all had a lovely long weekend. Talking to the kids on Tuesday, it sounded like everyone had some rest, relaxation and recreation. A great way to start winter!

Tomorrow is "Fun Day Friday", organised by some of our student leaders. **We will plant some trees at 10am and invite you to come along and join us.** Students can wear casual clothes (that are also suitable for gardening) and will participate in activities in the afternoon, planned by all of the leaders of the different groups. Thanks to our leaders for organising Fun Day Friday!

Next Friday 17th June, we are visiting the Hatuma Limeworks on Maharakeke Road, Hatuma (**Not the Tikokino Road as I originally thought**). This is an opportunity to learn a little more about our local geology and also the chance to dig for some fossils. The trip will be weather dependent and children will need to wear old casual clothes. Please send along buckets and small spades for our fossil dig. We will leave school around 10:00am and return around 12.30pm. We will take the big bus and some senior students will travel in teachers' cars. We will update you with any further information in next week's newsletter.

Enjoy weekend sports and good luck to our senior netball team playing on Sunday.

Kind regards,

Julie Thelwall
Principal

THUMBS UP

- To Madi, Taylor and Sabrina for the awesome science goggles. They will be well used and add another level of safety to our science programmes.
- To our parent coaches who are volunteering their time and energy for local sports teams. You are greatly appreciated!

PRINCIPAL'S AWARD

To Paraire Mitchell for All our Values and Habits

Paraire, you are a steady, calm, kind and respectful person. I can always rely on you to carry out tasks responsibly and with integrity. You are achieving very well in your learning and this is a reflection of your values and your positive attitude. You have a good group of friends who respect you and enjoy your friendship. I think you are a valuable member of our school community Paraire. Ka pai to mahi!
