Term 2, Week 7
Wednesday 12th of June 2024

Congratulations to our Students of the Week for displaying our School Vision and Values as follows:

Ava McMillan for all the Argyll East Vision and Values – Ava, you arrive at school each day with a cheerful smile and can do attitude. You always try your best with your learning and are happy to give anything new a try. You are working hard with forming your letters correctly in Handwriting each day. You have shown great skills in Gymnastics and have been working hard to learn the words and actions for our Ngati Whai performance. We can hear your beautiful singing voice. Ava, you are a star!

Ella Powell for all the Argyll East Vision and Values – Ella, it has been so great seeing how much confidence and progress you have been making in your learning. When you are at school, you are always happy, kind and respectful towards everyone. You have made some great friends this year and it's so awesome to see you out playing with them and joining in with their games at morning tea and lunch. I love how you have become more confident with writing which means you are writing more and using your spelling rules to help you sound out words. Keep up the fantastic attitude towards school and I can't wait to see what else you can achieve this year!

Chloe Campbell for all the Argyll East Vision and Values – You always try hard to do your best work, Chloe. You persevere with the task and are always prepared with the right gear. You take on extra roles like looking after the chickens or doing a few extra jobs before school. You use your initiative. You have a smile on your dial and you are a kind friend to others, including everyone in your game or group. Ka pai to mahi, Chloe.

Rūma Whā for all the Argyll East Vision and Values – I really enjoyed being in your classroom this week. You were all engaged in your learning, helping each other, respectful, creative and enthusiastic about your activities. Mrs Smith should be very proud of you all. Thank you for showing such integrity and maturity. You are an awesome bunch of kids!

Dear whānau and friends,

We hope everyone has had a great week!

We have had an awesome week of learning this week - it was lovely to have our teachers back in the classroom. Unfortunately Mrs Thelwall is unwell and hasn't been at school this week, we miss her very much. We all wish her a speedy recovery as she battles the winter cold. Since she is not here, we have taken on the responsibility of writing the blurb for this week's newsletter.

On Wednesday we had an unexpected baby deer visit when it escaped from the Cameron's house, it was a lovely distraction from our learning!

We are all very excited about the Elsthorpe 5 aside, as we have all been training very hard. The whole school will attend and participate in a range of different codes including: netball, hockey, football and rippa rugby. Thanks so much Miss Allen for organising us and all the sports uniforms.

The weather has been great despite it being winter. Thank you to everyone for supporting Ruma Whā's sausage sizzle each Friday. The money that you give for your sausage goes towards our Senior Camp in Rotorua - the more money we make, the more fun activities we can do. We would love to do the luge and the zorb and go get some ice cream somewhere - we just have to convince Mrs Smith!

We have been practising with Matua Dwayne to perfect our Ngati Whai performance (coming up in Week 9), it is coming together nicely. We are all enjoying the variety of waiata we are performing this year and are looking forward to the festival and sharing it with everyone.

We hope you have an amazing weekend.

Kind regards, Britta Oliver and Zoe Shorten
