ARGYLL EAST SCHOOL NEWSLETTER Live, Learn, Grow!

Term 2, Week 7
Thursday 16th June 2022

Students of the Week, for displaying the School Habits and Values as follows:

Ruma Rua for All the Argyll East Values - Ruma Rua, I am so super proud of how you have all been this week. This has been the best week out of the whole year because everyone has been getting along in class, everyone has been listening, everyone has been organised and you have all been wanting to get stuck into learning. I have loved this week because you all have made the effort to show respect and integrity to one another

and to me. Thank you Ruma Rua and I hope we can keep this awesome attitude and behaviour up!
Halen Delamere for All the Argyll East Values - You have had a great week of learning and exploring at school. I have enjoyed watching you try your best at gymnastics and you are having a go at all your learning by yourself. Your confidence in your learning is growing each day as you count in Maths, learn your letter sounds and names and write words you know by yourself. You are also a kind and helpful person in our class. Keep up the great work, Halen!

Lizzie Janson for All the Argyll East Values - You are such a positive, caring classmate, Lizzie. You participate fully in all our class activities. You are always willing to lend a hand and do extra jobs around the class and school, too. You look after others. You are a thoughtful buddy - talking and acting nicely and sharing your ideas. You are a joy to have in our classroom.

Zoe Shorten for Perseverance - You've had such a great week, Zoe! You work really hard in all that you do, putting in your best effort. This is really evident in your writing as you can now independently add punctuated speech into your work. It is great to see you working on rich maths tasks with others in your group and persisting with a problem even when it is really difficult. You are such a vibrant and happy member of the class. Keep up the great work Zoe.

Kia ora families and friends,

First of all, thanks to our parents who came to help with our gardening last Friday. It was a lovely morning and everyone enjoyed getting some more of our school grown plants and trees into the ground. It's great to see that our efforts from years gone by are paying off and our environment is looking beautiful. Well done everyone.

Due to tomorrow's rain forecast, we are postponing the Hatuma lime quarry trip until Thursday 23rd June. We will keep you updated.

This week, teachers in our school have had the opportunity to attend paid union meetings in the run up to the re-negotiation of their collective agreement. Some points of discussion have been about smaller class sizes, more support for high needs students, better recognition of cultural skills, greater job security for our essential relievers and to fairly value and recognise teachers' work. Disruption to classes has been minimal as the meetings have been held online.

Have a great week everyone and thanks in advance for your help at our working bee on Sunday! The new date for the tree planting at Otaia/Lindsay bush is Tuesday 21st June.

Kind regards,

Julie Thelwall
Principal

PRINCIPAL'S AWARD

To Lachlan Foley for All our Values and Habits
Thank you for your help on Thursday morning Lachlan, when we found the cattle in the Mangaotai. In typical country boy fashion, you took control of the situation, and with the help of a parent and a visitor to

the school, you had those cattle back in the right paddock in no time. Both of our visitors were highly impressed with the help you provided, right down to you making sure the electric fence was working properly. You are a star, Lachlan!

The Argyll East Recipe Book

Do you have a family favourite recipe? A delicious baking item you're known for? Or a tried and true recipe you simply love? We are on the hunt for those recipes! We are curating a recipe book to help keep those favourites alive for generations to come. Get in touch with home and school either on our Facebook page or through email argylleasths@gmail.com to find out more details.

If you're keen to know who we are and what we do, we meet throughout the year to organise fundraisers where the funds raised go directly back into our school for things like subsidising the school bus.
