ARGYLL EAST SCHOOL NEWSLETTER

Live, Learn, Grow!

Term 2, Week 9
Thursday 30th June 2022

Students of the Week, for displaying the School Habits and Values as follows:

Lottie Smith for All the Argyll East Habit and Values - Thank you for all that you do! You arrive at school early and often leave late in the evening. You are always happy to help out when there are extra jobs that need to be done (and all the teachers have extra jobs!) and you *always* do it with a smile. I appreciate how hard it must be to be stuck with your mum for so long each day - but you make it enjoyable. You truly do display all of the habits and values!

Ruby Butler for Respect - You speak and act nicely towards others, Ruby. You listen to others, take on feedback and play fairly. This means you always get on with your friends and classmates in and out of the classroom. This is a great life skill to have and you already have it as a Year 4! What a superb role model you are in our class. He whetu koe! You're a star!

Gypsy Mackrell for All the Argyll East Values - Gypsy, your classmates and Mrs Gauden chose you to be the student of the week this week! You have really stepped up and your reliability has been noticed by your peers. You have been helpful in the classroom and what was really noticed by others was that you have shown great responsibility for your learning especially in your reading. Well done Gypsy!

Cooper Greer for All the Argyll East Values - You are having a fantastic term of learning and making some wonderful progress. You are trying your best in both Reading and Writing to use your spelling fingers to sound out words. You listen carefully to instructions and can be seen making the right choices. We enjoy having you in Ruma Tahi, with your happy friendly smile and the way you want to help others out. Cooper, keep up the fantastic work!

Kia ora families and friends,

I am very happy to be back at school this week after having over a week at home with covid. I really appreciate and thank our great school team who kept everything running smoothly. I loved seeing all of the photos of the fun activities that took place while I was away.

This week we have enjoyed another visit from Hari and Sam, our space experts. They have once again shared their passion and knowledge of our amazing cosmos with our students, along with Hari's movie of early navigation leading to the discovery of New Zealand. It has been great to have them here for Matariki and we hope to see them both again later in the year.

Congratulations to all of our students who have competed in gymnastics festivals this week. You have put lots of effort into your practices and performed well. Your perseverance and creativity have been evident in your routines. Well done everyone!

Next week, the last week of term two, we are celebrating our love of books. We will have shared book readings and on Thursday we are having a dress up day where children can come to school dressed as their favourite book character. We invite you to come along and join us for a character parade and then come into our open classrooms where children can showcase their learning from the term. Some board members will be present to discuss our upcoming board elections with anyone who might be interested in knowing more about becoming a board member. We hope you can join us!

The Zero Waste programme is planned for next week. This is part of our Enviroschool programme and encourages sustainability and good choices around waste management.

We still have a number of students and staff unwell and absent. Ongoing winter illnesses have had a big effect on our families, as is the case across all New Zealand schools.

Fortunately, we have managed to continue with our regular routines and we hope that everyone is feeling well again soon.

Reports will be sent home with next week's newsletter.

Take care everyone,
Julie
