ARGYLL EAST SCHOOL NEWSLETTER

Live, Learn, Grow!

Term 3, Week 1
Thursday 20th July 2023

Congratulations to our Students of the Week, from the last week of last term, for displaying the School Habits and Values as follows:

Jett Buckeridge for Respect and Perseverance – Jett, you have had such a fantastic Term 2. This is because you have been focused during learning time and have been persevering with your work trying to complete activities to a good standard. The other teachers that you've worked with this term have also really enjoyed teaching you because you've been participating, listening and have had a happy attitude towards learning. I can't wait to see what you will achieve during the next half of the year.

Ava Foley – Welcome to Ruma Tahī and Argyll East School. It is lovely to have you join us and see you enjoying being at school with your big brother and sister. You are settling well into school life and class routines, all with a smile. Ava, we hope you enjoy your school days here.

Marijke Wilson for All the Argyll East Values – You can be so proud of your achievements this year Marijke! You come to school with a positive attitude and enjoy time in the classroom. You are often asked, as a Year 8, to lead learning groups - you do this with kindness and support anyone that needs it. You let those around you share their ideas, listen to them and value their opinion - this is a sign of a great leader. You volunteered to showcase our learning this week when we had families visiting our school, this meant you independently wrote a speech and delivered it confidently several times throughout the morning. Keep pushing yourself Marijke!

Mia Hutcheson for All the Argyll East Values – You are always positive and happy. These traits radiate out from you and make you a lovely person to be around, Mia. We enjoyed finding out more about you through the taonga you brought to school and the story of your grandfather's waka building. You took on extra responsibilities and capably looked after a junior class on a wet lunchtime. You persevered to take on a new maths strategy and now you can multiply HUGE numbers together. Tu meke, Mia.

Kia ora families and friends,

It was so nice to see everyone back at school on Monday, enjoying beautiful sunshine and catching up on all the news from the last two weeks.

Students received a nice surprise when they arrived at school to see the beginning of our new school mural which has been designed around our vision "Live, Learn, Grow". Emma Harker is our artist and she is doing a fantastic job bringing our vision to life.

We are in the process of applying for some funding to do some repairs and maintenance to the old school building. It will be great to replace some rotten boards and freshen up the paint job, inside and out. Of course, this is dependent on succeeding in our application, but we have made a good start and will hopefully secure some funding in the near future.

Susan Davidson will be working with us on the history project most Thursdays this term. We are making some headway with our plans for the timeline. We all really enjoyed our Family Treasure - Whānau Taonga day at the end of last term. We were astounded by the beautiful treasures that were shared and we loved having so many families join us. We hope you enjoyed the day too.

Next Monday, weather permitting, we have Jack Gay joining us for some rugby sessions - nice timing just before the Onga 7's. Hopefully the sun will shine all week!

Miss Allen has prepared some information for the Onga 7's, (years 4 - 8), which is attached to the newsletter. Everyone is very welcome to come along and cheer on the Argyll teams.

Thanks so much to those who have volunteered to manage a team for the day. Fingers crossed for good weather!

We are enjoying a great start to the term and hope you all have a good week.

Julie

PRINCIPAL'S AWARD

Indie Godinet for All our School Values and Habits

You are very deserving of this award Indie for always demonstrating all of our school values and habits, in the classroom, on the playground and travelling to and from school. You are super helpful, always offering to lend a hand and taking on the less pleasant jobs - for example, cleaning up the chicken poop. You always show initiative and we all admire your integrity. Indie, you are an absolute star and an awesome role model in our school. Tēnā koe Indie - thank you!

CHB KAHUI AKO PRESENTS

PARENTS CYBER SAFETY EVENING

This talk will cover the mounting challenges and harms that children are facing online.

We have organised author, filmmaker and speaker Rob Cope, producer of the documentary "Our Kids Online" to come and give what promises to be a humorous and eye-opening evening talk to our parent community.

The talk will be held in the CHB College hall on **Tuesday 15th August from 6.30 - 8.30pm.**

We would encourage at least one adult from each family to attend, this topic is too big for us not to pay attention to it. Please book your tickets through the school office. Here is a promotional video for you to watch [Our Kids Online Parent Evening](#).

AED NOW AVAILABLE AT TE ONEPU HOMESTEAD

Maraekakaho Rural Fire Brigade has installed a publicly accessible AED (defib) at the intersection of Raukawa, Argyll and Te Onepu roads, approximately half way between existing one on Whakapirau Rd and Argyll East School. Thanks to Anna and Ian Foster for letting us put this on the fence at the entrance to their property, and Maree Gallagher for organising things there. Note that it's installed on the back of the fence, with the green AED sign facing the road. If you need the AED, simply call 111-Ambulance for the access code (the same one as the units at Maraekakaho, mid-Whakapirau Road and Raukawa), punch it in, and open the cabinet. The video below shows how to use it. The machine will also talk you through what to do; <https://www.youtube.com/watch?v=9arPcJxGkmQ>

The Torran brigade are hosting a St John's "3 Step's for Life" short course in CPR and the use of AED's (defibs) this coming weekend! It's one hour long, free and will be at the Raukawa Hall at 2pm on Sunday 23rd July (2pm). You can book a spot by emailing John at obanstation@gmail.com We encourage people to download the "AED Locations" app, which helps you find the closest AED in an emergency. Thanks to the Royston Health Trust, who funded the purchase of this unit. Thanks too to the broader community, Torran Fire Brigade, Focus MKK and Maraekakaho Church Hall Trust.
