ARGYLL EAST SCHOOL NEWSLETTER

Live, Learn, Grow!

Term 3, Week 2
Thursday 27th July 2023

Congratulations to our Students of the Week for displaying the School Habits and Values as follows:

Richie Butler for All the Argyll East Habits and Values – You are a super learner and should be proud of all the effort you put into your work each day. You participate fully in class and group discussions sharing your ideas, asking questions and listening to others. I have enjoyed listening and watching you in your play using your imagination with the class this week. You created a boat which you could feed the eel bait from that you made with a buddy. This was a special potion mixture you carefully measured out to make. You have demonstrated great underarm throwing skills using tennis balls in our lessons this week too. An awesome start back to Term 3, Richie!

Brooke Hutcheson for All the Argyll East Habits and Values – Brooke, you have been so helpful while Mrs Smith has been away. This award comes to you from Whaea Cheryl who appreciated your super helpfulness in organising routines and resources in your classroom. Whaea Cheryl said you were also able to help everyone when it came to playing the new maths game "PIGGY" and that she is grateful for everything that you did to support her. Thanks Brooke, you continue to shine!

Madi Thompson for All the Argyll East Habits and Values – You have arrived at school this term with gusto! You are giving everything a go; writing lots, reading lots and showing off your maths knowledge. What a wonderful feeling it is to be so successful because you've tried so hard. Thanks for being a superb values helper this week. What an amazing term you are going to have, Madi!

Alex Godinet for All the Argyll East Habits and Values – Alex, you are such an all round super star. You give everything a go and keep trying until you achieve whatever the task is that you have been set. You are kind, caring and helpful towards your friends and the rest of class. You have been working really hard to learn new spelling rules in structured literacy and it has been great seeing you use them in your writing. I love how curious you have been to learn new, trickier maths strategies and then practise them at home. Thank you for all your help. Keep up the fantastic work!

Kia ora families and friends,

Yesterday we had the Onga 7's event. It is always a great day and as usual, our children really enjoyed the games and competition albeit in very cold conditions! I heard some great feedback from coaches who were very impressed with the players and the teamwork displayed. Thanks to everyone who came along to support the teams and special thanks to the parents who managed teams - we really appreciate your help.

It's great to see so many students involved in Jump Jam this year. Miss Allen is running practices daily for junior and senior teams and excitement is building as the competition gets closer. Well done to everyone involved and to Miss Allen for going the extra mile!

Miss Hay and a couple of students have been cattle shopping this week. Thanks to Colin Schaw for his organisation of the new cattle and for forgoing his commission for our school - this is greatly appreciated. Thanks also to Malcolm and Bevan for their help and Miss Hay for taking a couple of children from Farm Club to purchase the new cattle.

On Monday we had Jack Gay at school for rugby sessions with all classes. This was much enjoyed and good practice before the Onga 7's games. Thanks Jack.

A request to help us in our history project - Do you have any paint roller handles or roller trays that you can loan to the school for the next two terms? If so please send them in marked with your name. We would also be grateful for any leftover paint, any colour, that you may no longer have use for. Thanks

The CHB Cross Country competition is scheduled for next Thursday. Miss Allen has sent home information for all of the students involved. We wish them the best of luck!

Have a great week and keep warm,

Julie

CHB KAHUI AKO PRESENTS PARENTS CYBER SAFETY EVENING

This talk will cover the mounting challenges and harms that children are facing online. We have organised author, filmmaker and speaker Rob Cope, producer of the documentary "Our Kids Online" to come and give what promises to be a humorous and eye-opening evening talk to our parent community. The talk will be held in the CHB College hall on **Tuesday 15th August from 6.30 - 8.30pm.** We would encourage at least one adult from each family to attend, this topic is too big for us not to pay attention to it. Please book your tickets through the school office. Here is a promotional video for you to watch [Our Kids Online Parent Evening](#).

MESSAGE FROM WAIPAWA KINDERGARTEN

Waipawa Kindergarten caters for children 2-5 years, and operates a full day session from 8:30 to 2:30 daily. We offer no fees to families who contribute their 20 free hours to the Kindergarten. The preferred number of days can be suited to your needs. We are presently starting children at 2 years of age and encourage you to enrol your child onto our waiting list if you have not already done so. This can be done by phone, or pop in for an information pack. For more information call us on 8578320.
