Argyll East School

Live, Learn, Grow
Kia Ora, Kia Ako, Kia Tupu

Term 3, Week 3
Thursday 8th of August 2024

Congratulations to our Students of the Week for displaying our School Vision and Values as follows:

Mackenzie Ritchie welcome to Argyll East School – Welcome to Rūma Tahi and Argyll East School. It is great to have you join us here and seeing you come to school each day on the bus with your friends. You are settling well into school life and our class routines. It is great to see you making new friends too. Mackenzie, we look forward to getting to know you more and hope you enjoy your school days here.

Rusty Wakelin for Respect – You are such a keen learner and are always focused.

Whatever we are learning, you are always participating in class discussions. You are such a good role model to show what respect looks like inside the classroom and out in the playground. You completed your France colouring colourfully and showed lots of detail. Thank you Rusty for being you. Keep shining and you'll make it far. Ka pai to mahi!

Hattie Butler for Respect and Perseverance – Hattie, you have made a great start to Term 3. We appreciate your bright and bubbly, "Good morning" and your offer to help throughout the day. You demonstrate respect to your peers and the adults in the school by using manners, helping out, and being a great role model. You are prepared for learning and always endeavor to do your best in all that you do. You are a trusted, kind and caring friend to all and always make good choices. Keep up that positive, strive for learning Hattie. You will go far!

Leila Philpotts for Respect and Perseverance (absent for photo)– You have made a great start to Term 3, Leila. You arrive at school each day with a big smile, positive attitude and eagerness to learn. You persevered to create a unique digital art piece that involved lots of new learning as you had to rotate, flip and resize your work. In writing you took on the challenge of imagining our next chapter in our class story and it was such a joy to read! You have a delightful eagerness to learn and enjoy being challenged and pushed out of your comfort zone. I appreciate the kindness and respect that you display and encourage in others.

Kia ora families and friends,

A big thank you to everyone who supported us at the Onga 7's last week. It turned out to be a great day and I was so impressed with our students, their participation, sportsmanship and behaviour throughout the day. Some games were won, some lost, some drawn and everyone had fun playing their chosen sport.

Thanks especially to all of our team leaders and to Axel and Kane for their help with our new marquee. We were lucky with the weather and didn't need to put the sides on the marquee but it was good to know they were there if needed.

I attended a leaders summit with my Kāhui Ako lead team in Auckland at the end of last week. We came back with some good ideas for development of collaboration, knowledge sharing and continuous improvement techniques. I also came back with a renewed appreciation for our relaxed country lifestyle and uncongested roads!

This Friday, students from year 5-8 will begin to learn the traditional Māori game - Ki-o-rahi with Hogan Hynes. Hogan will come to our school to teach the skills over 4 sessions and then the groups will participate in a Ki-o-rahi tournament towards the end of the term.

Have a great week everyone and remember, our doors are always open if you want to come in for a chat.

Julie

PRINCIPALS AWARD: To Rūma Toru & Rūma Whā for demonstrating our vision and values. Well done to all of

the children who participated in the Onga 7's games on Wednesday. Every one of you tried your hardest, played fairly, encouraged your team mates and showed all of our school values throughout the day. We were very proud of you and your great results. Thanks for being such cool Argyll East kids!

Congratulations

To Ruby Butler who came 3rd for the 10years and under female age group with the CHB Krakens- Swim Club.

We are very proud of you. Keep up the great work!

Note from Public Health Nurse- Nicole Pinfold

It is important as the winter bugs make the rounds we try and reduce the spread as much as possible. Good hand hygiene and keeping your child home from school helps decrease the chance of spreading the bugs.

Here are some tips on caring for you child at home:

Give your child plenty of fluids (they may not be hungry).

Allow extra rest.

Provide extra cuddles.

Wash your hands after caring for them and before preparing food so you don't pass germs along to your whānau.

Teach your child to wash and dry their hands well, and cover their nose and mouth when they sneeze by sneezing into their elbow.

Grocery Raffle

Rūma Whā are going to be running a grocery raffle this term. This is our biggest fundraiser for camp in Term 4. We welcome donations of non-perishable grocery items that can be included in our raffle. These can be dropped off in our class or to the office. Raffle tickets will be available later in the term for anyone who would like to help sell them. Thanks so much for your support.
