ARGYLL EAST SCHOOL NEWSLETTER Live, Learn, Grow!

Term 3, Week 3
Thursday 11th August 2022

Students of the Week, for displaying the School Habits and Values as follows:

Grace Shorten for Respect, Integrity and Perseverance - Grace, you are such a pleasant and considerate student to have in the classroom. You are really shining in class with not only your maths and reading skills, but also with your thoughtfulness. You put out the chairs most mornings, you are always asking what I need help with and you take the initiative to help your classmates and tidy up the place. I just want to take the

time to say thank you for making teaching you each day so enjoyable.

Finn Davidson for All the Argyll East Habits and Values - You are a pleasure to teach, Finn. You always pay full attention to what is happening in the classroom and I can always rely on you to ask sensible questions and contribute confidently to discussions. I appreciate how you go out of your way to help out - this was really evident at Onga 7's where you made sure I wasn't lifting anything heavy. I enjoy your cheeky sense of humour and your ability to laugh at yourself. Keep being a great role model to others Finn!

To Sophia Kuru for Perseverance and Respect - You are really trying hard with your school work this term, Sophia. You are writing and reading independently. And look what you can do! You surprise us every day with your progress. You talk so nicely to others. It was great to see you persevere in our Commonwealth Games - get up and try again. That's what all the great athletes and stars in our community do. Keep it up!

Halen Delamere for Perseverance - Halen, you have had a fantastic start back to Term 3, and have been getting involved in all your learning and are enjoying playing with your friends. You are keen to learn and just want to have a go. You have worked hard to learn the letters of the sounds and can write them down all by yourself. You are able to think of ideas in writing and are now writing down all the letter sounds you hear. Keep up the awesome work, Halen!

Kia ora families and friends

Brrrr! What a difference a week makes. I spent some time in Rūma Rua this week who were looking at poetry. Not surprisingly they were learning "It's raining, it's pouring". It was lovely to share it and sing out loud with Jett.

We began our cross country training this week. We will have two whole school training sessions per week and teachers will run class sessions as well. We will use a variety of tracks including farm running, track running and hill running so we should be well prepared for the cross-country event on the 26th of August.

Miss Allen has been working incredibly hard with our Junior and Senior Jump Jam teams every day during morning tea and lunch. It has been amazing to see how quickly they have learnt their routines and now they are adding extra chants and cheers to them.

On Monday next week, we have Kate Pearse working in classrooms to deliver a Concussion Wise programme. It is an interactive educational programme for primary and intermediate schools. Students will learn what the brain does, what a concussion is, how you get a concussion and what to do if you get one.

This weekend we have a working bee planned to finish the chicken coop. It has been moved to its new home and now we need to fence it in preparation for chickens later in the year. Please get in touch with Malcolm Campbell if you can come along and help.

Finally, a huge congratulations to Laura Brun who has secured herself the role of Panky in the upcoming Waipawa M&D production of Aladdin. Well done Laura, I know how hard you practise your dance and drama - you will be amazing!

Have a lovely warm weekend,

Lara Smith
Acting Principal

CHICKENS

Chickens - We would love to raise some chickens in the near future and wonder if anyone can help us out with an enclosure and lamp that we can have in our classrooms. Please contact the office if you are able to provide either or both. Thanks.
