ARGYLL EAST SCHOOL NEWSLETTER

Live, Learn, Grow!

Term 3, Week 3
Thursday 3rd August 2023

Congratulations to our Students of the Week for displaying the
School Habits and Values as follows:

Bella Greer for All the Argyll East Habits and Values – It is great to see you using your creativity to design, make and modify a speedy balloon car. You persevered through the Antarctic conditions to play rugby at the Onga 7's. You show integrity by getting on with your work independently. You respect others by talking and acting nicely in groups. That's all the Argyll East values you show every day, Bella. We really appreciate you!!

Zara Bennett for All the Argyll East Habits and Values – You are such a positive and happy person who enjoys spending time with your friends and giving everything a go! You had a great day at the Onga 7's in the Senior Football team where you played with strength and determination! It is great to see you in the Jump Jam team this year also - it takes a lot of training and hard work! In the class you are always well organised and ready to learn. You fully participate in all group and class discussions and activities and should be very proud of your achievements. Keep up the great work, Zara!

Veda Haftka for All the Argyll East Habits and Values (inset) – I have loved seeing your confidence and creativity grow this year. You are now confidently helping other students when they get stuck with their work or need help with their chromebooks without me having to ask first. Both Whaea Cheryl and I are proud of how you have been working on growing your comprehension skills in reading and learning to read with more expression in your voice. Veda, you are always ready for learning and are a great listener. Keep up the awesome work!

Rusty Wakelin for All the Argyll East Habits and Values (inset) – You are having a fantastic year in Ruma Tahī and should be really proud of yourself and the progress you are making. You listen carefully, ask and answer questions and share your ideas. You have a wonderful imagination shared through your play and discussions with others. You respect your class members and are happy to help them when needed. It is lovely having you in our class, Rusty.

Kia ora families and friends,

This week our thoughts are with the family and friends of Margaretha Butler who died last Friday at home with her family. We are so sorry for your loss and we wish you peace and comfort at this sad time. Margaretha was an active member of the Argyll East School community for many years and a much-loved member of our district. She is mother to four children who went through our school, and grandmother to two current students, Hattie and Richie. Margaretha was always a strong supporter of our school and will be sadly missed.

As part of the funding application process for repairs and maintenance of the Old School Building, I need some letters of support from members of our community who would consider using the old school for community meetings or activities. We would love the old school to be an option for our community as it is a small venue, warm and inviting. Please contact me if you would like to write a letter of support and I will add it to our application. Thanks.

Thanks to those who have sent in rollers, trays and left-over paint for our history project. We are still looking for more, so if you have anything to loan or give we are very grateful.

Tomorrow, weather permitting, we are spending some time releasing trees that we planted last year. Please send children to school with gumboots and gardening clothes.

A reminder to parents that our Kāhui Ako Cybersafety evening is coming up soon - Tuesday 15th August, 6.30 - 8.30pm at CHB College. We still have some tickets available through our school office. Please call if you would like to reserve a ticket or two.

CHB KAHUI AKO PRESENTS PARENTS CYBER SAFETY EVENING

This talk will cover the mounting challenges and harms that children are facing online. We have organised author, filmmaker and speaker Rob Cope, producer of the documentary "Our Kids Online" to come and give what promises to be a humorous and eye-opening evening talk to our parent community. The talk will be held in the CHB College hall on **Tuesday 15th August from 6.30 - 8.30pm**. We would encourage at least one adult from each family to attend, this topic is too big for us not to pay attention to it. Please book your tickets through the school office. Here is a promotional video for you to watch [Our Kids Online Parent Evening](#).

CONGRATULATIONS

Congratulations to Austin Buckeridge on being selected in the CHB U9 Trevor White Rep rugby team. Well done!
