ARGYLL EAST SCHOOL NEWSLETTER Live, Learn, Grow!

Term 3, Week 5
Thursday 17th August 2023

Congratulations to our Students of the Week for displaying the School Habits and Values as follows:

Grace Shorten for All the Argyll East Habits and Values – You have a thirst for learning, Grace. You have blitzed Times Tables Rock Stars by practising lots at home and school. You interviewed experts and have completed your speech by focusing hard at school and spending time at home working on it. You persevere and think deeply about what we are learning. This is reflected in your contributions in discussions and your writing. It is fantastic to see such self motivation, Grace. You will go far!

Zoe Shorten for All the Argyll East Habits and Values – Zoe, you are like a breath of fresh air - you always arrive at school with an awesome attitude, a huge smile and a friendly greeting. You give everything a go and always try your best. I am always really impressed by the level of effort you put into your homework which has such a positive impact on your learning. You are working really hard on your speech at the moment and it is great to see you take on feedback from others to continue editing it. You really are a delight to have in the class, Zoe!

Taylor Buckeridge for All the Argyll East Habits and Values – You are polite to other teachers and students by greeting them nicely and having lovely conversations with them. You play nicely with your friends at break times and are having lots of fun. In class you are super helpful, helping others out or finding little jobs to do. You love learning and always try your best even when faced with a challenge. This week you have been very creative with the patterns you have been making in Maths. Keep shining Taylor, and you will go far!

Archie MacKenzie for All the Argyll East Habits and Values – Archie, you have the best manners and have been so kind and respectful towards your peers and teachers. You get along with everyone and can work great independently or with others. Archie, you have blown me away with the progress you've been making this year in reading and oral language. I have loved seeing how helpful you are around the classroom and how you confidently help others with their chromebooks problems. Thank you for all your help Archie! Keep up the awesome work!

Kia ora families and friends,

We are very excited to see Miss Allen as a finalist in the CHB Sport and Recreation Awards for Volunteer of the Year. We wish her all the very best of luck and know that she really deserves to be the winner!

On Tuesday night, I attended the Cyber Safety evening and it was very thought provoking and informative. It led me to think about our children who travel on the school bus with phones with internet access. I know this is only a small number of students and I would like to request that parents whose children travel on the bus with internet access on their phones, contact me to talk about a way that their children can continue to have their phones on the bus, but *without* internet access. I think this is important to ensure that we are caring for the mental health and wellbeing of all of our children. Please call me if this affects your child. Following on from the evening, Rob Hope has sent through a PDF recap & action plan. This document has interactive links that lead to the resources mentioned therein and is being sent as an attachment to our newsletter email. It is well worth reading if you were unable to attend.

At our Board of Trustees meeting on Monday, we discussed our 2024 Strategic Plan. At the beginning of next month, we will be sending out a questionnaire to seek your input for the development of the plan. We would like to hear from all of our families and will send the questionnaire in a number of ways. We look forward to developing a strategic plan that reflects your aspirations for your children's education at Argyll East School. A report from the Board of Trustees is attached.

Thank you for returning conference notices. Mary Clare has included appointment times with today's newsletter. If the time is unsuitable for you, please contact your child's classroom teacher and we will find a time that suits.

We have some great competitions coming up including our school speech competition, Rippa Rugby and Jump Jam. Lots to think about and prepare for.

Have a great week everyone,

Julie

PRINCIPAL'S AWARD

To Britta Oliver for All our School Values and

Habits

You are shining Britta, displaying integrity and maturity in so many ways. I really appreciate the sense of responsibility that you show and I can see your leadership qualities growing

daily. You always offer to help and show initiative in your thinking. What's more, you are my "Madam Secretary" every Friday which is very helpful. I really enjoy and appreciate your smiles and positive attitude Britta - Ka pai!

THUMBS UP

- To Colin Schaw, our stock agent, who helped us get just the right new cattle for the school farm and didn't charge us any commission
 - To Stephenson's transport who took our cattle to the saleyards last term and transported our new cattle to us - at no cost!
- Thanks so much for helping out the AES Farm Club and school
- To all our netball, hockey, football and rugby coaches and managers this season. We think you are great!

WELCOME TO NEW STUDENTS

Welcome to Waimarino, Merania, Billion, Banx, Braydon, and Braxton, and your family. We hope you have many happy days at Argyll East School.
