Students of the week

CONGRATULATIONS TO OUR STUDENTS OF THE WEEK FOR DISPLAYING OUR SCHOOL VISION AND VALUES:

Chloe Campbell for integrity, perseverance, creativity, and respect: You are absolutely a star in our eyes, Chloe. You show initiative, you are super reliable, you are kind and caring. The list goes on. This week is no different. You have taken on the role of vet nurse with the chickens. Thank you! You talk and act respectfully towards others, always. You have focused hard on maths this year, diligently working with a positive attitude to find that - you can do it! You have had a great year and it's not over yet! Ka pai to mahi.

Bella Greer for all the Argyll East Values: I love the way you bounce into the class each morning, sharing your positivity and happiness. I have enjoyed watching you craft your speech for our upcoming speech competition. You have taken on feedback and have used it to develop a speech that is interesting and personal to you. Thank you for introducing me to the world of crochet and creating a lunchtime club where everyone feels welcome and included. Your patience has been phenomenal - I'm not sure how you do it!! Keep shining brightly Bella. Don't dim your light for anyone; the world needs your unique brilliance.

Aria Ferris for all the Argyll East Values: Aria, what a wonderful year in Rūma Tahi you are having. You come to school each day ready to learn, and it is great to see how excited you are for it. Your confidence has grown and you are taking risks in your work when faced with a challenge. I enjoy listening to you in your reading, you are flying along. Your friends appreciate you in class and how helpful you are to them. Aria, be proud of yourself!

Brooke Kent for creativity & respect: Brooke, you have such a positive attitude towards life and school. It's so lovely to see your cheerful smile and hear your joyful laugh as you play and work with your friends. You are keen to help others when they need it and you are great at helping with arranging our Structure Literacy lesson equipment. During wet morning teas and lunch times, it's been so great seeing you keep yourself and your friends entertained with colouring competitions. Your creativity shines when you make farms and towns with the classroom toys. Keep being you!

Message from the Principal

Kia ora families and friends,

Congratulations to all of our runners who took part in the CHB Cross Country event last week. You all showed great determination and perseverance and we were very proud of you. Great effort everyone and a great support team too. Runners placed in the top 10 for their year level will now have the opportunity to compete in the Hawkes Bay Cross Country event. Results are below. Miss Allen will send home details for eligible runners.

Our school speeches are next week and students are practising their speech delivery daily. Once again, we have a wide range of topics and differing levels of nervousness. It is always a very special day and you are most welcome to come along. The Rotary Speeches for the competition winners take place on Monday 15th September at 6.30pm in the Waipukurau Primary School hall.

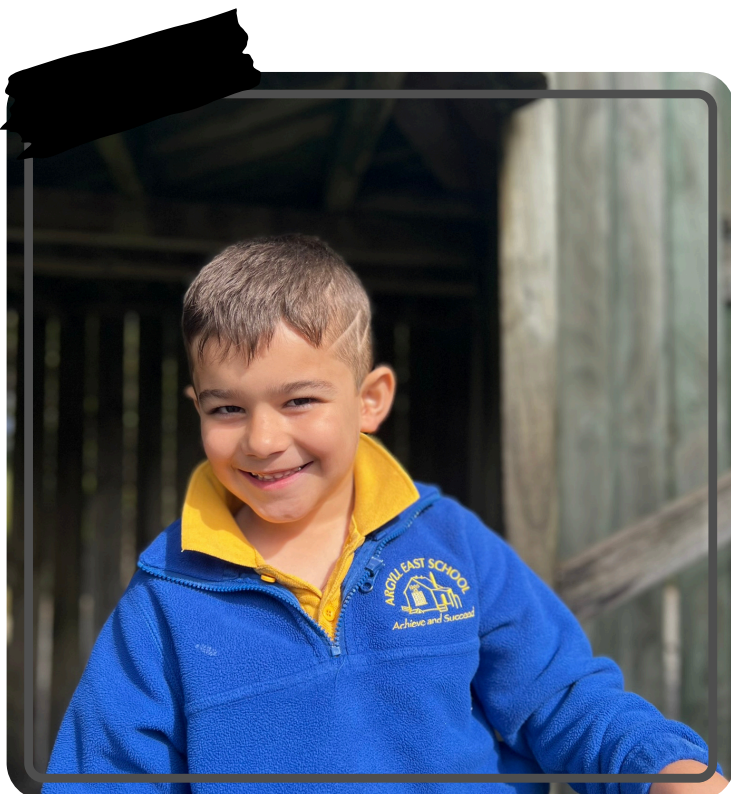

A recent fundraiser that was held at school saw our children dressing up to raise funds for the Hawke's Bay Rescue Helicopter Trust. We were lucky to win the prize for best dressed and received a box of Whitakers Peanut Slabs. We will be sharing these out at school next Friday. Thanks to everyone who participated in the fundraiser for such a great cause!

Both Tikokino and Sherwood Schools have invited us to their school's productions. We have decided to send Rūma Toru and Tahi to the Tikokino production on Wednesday 10th September and Rūma Whā and Rua will go to the Sherwood production the following day, Thursday 11th September. Both productions are being held in the afternoon and children will travel by school bus.

Conferences for students in Rūma Toru and Whā are scheduled to take place in week 9 on the afternoons of the 9th and 10th of September. Notices are attached today. Please complete and return to school. We will confirm times over the coming weeks.

Thanks to those who returned our Community Consultation forms. We are happy to receive your feedback.

Have a great week everyone,
Julie
