ARGYLL EAST SCHOOL NEWSLETTER Live, Learn, Grow!

Term 3, Week 7
Thursday 31st August 2023

Congratulations to our Students of the Week for displaying the School Habits and Values as follows:

Harleigh-Rose Stuart for Perseverance – You have had a great week in class. You have been working hard to stay focused on your learning. It has been wonderful to see you giving it all a go. You enjoy sharing your ideas in group discussions and have a wonderful imagination. Harleigh-Rose, keep up the great work!

Chloe Campbell for Creativity and Perseverance – Chloe, You have been really focused on your learning this week and persevering with working independently. We have all loved seeing your passion and enthusiasm for dancing shine through your Jump Jam practices, and I know you will have lots of fun at the competition. You get along with everyone in class and are always looking out for your friends and making sure they are happy. I just love how bubbly and happy you are. Keep up the fantastic effort!

Lottie Smith for All the Argyll East Habits and Values – Thank you for everything you do, Lottie. You are often given extra tasks and responsibilities because you are at school much longer than anyone else. You happily help out wherever you can and never complain even when you have to sit outside in the cold during parent conferences! It has been great to see you give everything a go this year - from tennis, Jump Jam, Rippa Rugby and touch to football and hockey. Keep up your kind and positive attitude - you're a star!

Hattie Butler for All the Argyll East Habits and Values – Hattie, you are a kind, courteous, fun-loving learner. You consistently demonstrate the Argyll East School values through all that you do. You strive to do your best in all areas of school life. I have enjoyed listening to your speech practice, where you confidently speak in front of a group with expression and clarity. You are a role model who is focused and has a positive attitude towards your learning and extra curricular activities. You should be proud of your hard work, Hattie. Tino pai!

Kia ora families and friends,

I hope you are enjoying the huge frosts each morning - fortunately they usually result in beautiful days!

Well done to all of our students who participated in the Jump Jam competition on Sunday. Our teams were placed 2nd for the Juniors and 3rd for the Seniors. We are very proud of you and very grateful to Miss Allen for organising and preparing the students. Great job everyone!

We are looking forward to our school speeches next week from our students in Rūma Toru and Whā. Everyone has put a great effort into writing their speeches and practising their delivery. I always find it a highlight of the year, listening to our students share their passions as they develop their public speaking skills.

We also have the Rippa Rugby Tournament next Thursday. Thanks to everyone who has offered to help on the day. We really appreciate your help and participation!

Please if you have any concerns or questions, do not hesitate to contact us. The procedure for dealing with a problem is to speak with the class teacher first. If you are not satisfied, the next step is to contact me and then if you wish to take it further, you can put your concerns in writing addressed to the Presiding Member of the Board of Trustees, Kane Haftka. Your problem will then be dealt with at Board level. The complaints procedure is attached to this newsletter.

Have a wonderful week everyone,
Julie
