Students of the week

CONGRATULATIONS TO OUR
STUDENTS OF THE WEEK
FOR DISPLAYING OUR
SCHOOL VISION AND
VALUES:

Theia Gair for perseverance, integrity, creativity & respect: Ka pai, Theia! You are our Student of the Week for your hard work and kind heart. You are a quiet, focused learner who always gives your best effort and keeps going even when a task gets tricky. It is fantastic how you take feedback on board and use it to make your work even better. We have really seen these wonderful qualities shine through during our performance practices as you listen carefully to instructions and stay fully engaged. You are always kind, friendly, and make sure everyone feels included. Your determination and positive attitude set a wonderful example for everyone in our class—thank you for being such an awesome student!

Chloe Campbell for perseverance, integrity, respect & creativity: In a week that has been complete chaos with production rehearsals, set building, singing, and dancing, you have been our absolute calm, Chloe! You are always looking for ways to lend a hand, whether it's stepping in to take over roles for absent friends or coaching younger students who need extra support. I was so impressed by the care and effort you put into independently creating our stage kelp and coral to disguise the microphones! On top of all this, you've stayed focused in class to successfully master multiplying and dividing decimals. Thank you for your endless kindness, bright smile, and the wonderful energy you bring to our school every day!

Lotty Christison for perseverance, integrity, respect & creativity: Lotty has demonstrated amazing perseverance in her mahi this week. She keeps trying, even when tasks are challenging, and her hard work is really starting to show in the results. Lotty is clearly enjoying our production, listening carefully and learning the Crab Rave dance with enthusiasm. She has also created some really cool crab and fish artwork. Ka pai, Lotty — your determination, creativity and positive attitude are fantastic!

Anousheh Zeeshan for integrity, respect, perseverance & creativity: Anousheh, you are learning to be such a jolly jellyfish for our production. You have received compliments from a couple of teachers about how you are making sure you stay in character throughout our whole school practices. When it's your turn on stage, you are making sure you are always moving your arms, swaying in the 'current' and you are trying your best to learn our new dance for our scene. In class, you are doing a fantastic job at learning your basic facts and retaining the new information you've learnt so far. Anousheh, I really love how attentive you are in our Structured Literacy lessons and how you bring joy and smiles to all of our lessons. Keep up the fantastic work!

Chloe, (Belly), Lotty, Theia & Anousheh

Message from the Principal

Kia ora families and friends,

It's a beautiful sunny day, and we are busy running through our production, making props and costumes and generally enjoying another great day at Argyll East School. We have just had a visit from the Waipawa Scallywaggs' 4 year olds who are visiting schools to experience lunchtime on a school playground. We have happy faces all round! There is certainly lots happening as we come to the final weeks of term 3.

Preparations for our production, "Just Keep Wriggling – An Epic Eel Odyssey," are continuing. Performances are heavily booked, and excitement is building!

A koha box will be available at the entrance for anyone wishing to make a donation toward a special treat for the children.

For the Thursday evening show, **students must remain at school from 3:00 pm. Please note that the school bus will not run in the afternoon.** We will provide a BBQ dinner for the children before organizing them for our final performance. If you are not attending the show, please arrange to collect your child from school at 7:30 pm.

Most students have arranged their costumes. If you have any questions regarding your child's costume, please contact the school office.

School photos are scheduled for next Wednesday, 16th September. Sibling photo request forms were sent home recently; please ensure this form is completed and returned if you would like sibling photos taken. Information regarding individual photo orders will be distributed following photo day.

On Friday, 18th September, Centralines are visiting to present the "Power Smart School Safety Programme." During these interactive sessions, students will:

- Learn the basics of how electricity works
- Understand how to stay safe around electrical assets
- See real safety equipment used by Centralines
- Learn how to recognise and report hazards

Centraline's goal is to provide practical, potentially life-saving knowledge in a fun and memorable way.

Further details regarding the Ki-o-rahi and Rippa Rugby tournaments taking place during the final week of term will be sent home next week.

We have included the programme for Pet Day with this newsletter. Please contact the office if you have any questions. Thanks to all of the parents and friends of the school who have offered to run activities. Your time and effort is greatly appreciated!

Have a great week everyone,
Julie
