## Students of the week

CONGRATULATIONS TO OUR  
STUDENTS OF THE WEEK  
FOR DISPLAYING OUR  
SCHOOL VISION AND  
VALUES:

**Maddy Fogarty for Respect & Integrity-** Maddy, you are a great friend to others. You are kind, share and speak nicely to those around you. This week you have not only shown how respectful you are to your class. But also to our school environment and our community when we have been out and about. You make the right choices even when no one else is watching. Maddy, we think you are awesome. Keep on shining!

**Banx Wairau-Jelbert for Pervasive & Integrity-** Banx, you have had such an awesome week this week. It has been so lovely seeing you use your manners, take turns and ask nicely to join in with activities that others are playing in our classroom. Every day you make sure you say good morning to the teachers and every afternoon you give great big hugs, which has been a nice way to end the day. You really enjoyed playing Rippa Rugby last week and it was great to see you scoring some tries for your team! Kia mau tonu te mahi nui Banx.

**Ryder Smith for Respect & Integrity-** What an amazing week you have had, Ryder! You had practiced your speech lots and you delivered it to an audience with confidence and enjoyment. You had a great day at Rippa Rugby, scoring many tries and rips. You have made great strides in your learning this term. You have a wonderful personality and you are always keen to give things a go. You persevere and you always have a smile on your dial. Tino pai, Ryder.

**Aurora Gregory for All the Argyll Values-** We are lucky to have you as a leader in our school, Aurora! It has great to see you grow in confidence as you develop your leadership and this was really evident at the Rippa Rugby Tournament where you captained your team - celebrating, supporting and encouraging everyone. You showed great sportsmanship and led your team to shake hands at the conclusion of each game. You also led by example by offering to take time off the field so others could play. I love the way you are always positive and enthusiastic and look for ways to uplift those around you. Keep shining brightly!

# Message from the Principal

Kia ora families and friends,

Lots of news today as we come towards the end of term 3.

Next week Mrs Morisons finishes school to have her baby. We thank Mel for all of her work at Argyll East School and wish her and her husband Matt all the very best as new parents. We look forward to meeting her new addition soon.

We are very fortunate to have Mrs Marshall take on the teaching role in Rūma Toru. Mrs Marshall has been relieving here over the past few months and we welcome her to our team. She is passionate about literacy and is looking forward to working with Rūma Toru.

Thanks to everyone who came along to Rippa Rugby last week. Our students played some great games and showed real sportsmanship throughout the day. It was a lot of fun and a well organised event.

Thanks to all of the families who attended conferences this week. We hope the information provided was helpful and gave you a clear picture of how your child is progressing in their learning. Remember, if you have any questions, you are always welcome to come in and meet with us so we can work together for the benefit of your children.

Next week our students in year 5-8 are playing in a Ki-o-rahi tournament. This is the first time we have been involved in Ki-o-rahi and everyone has enjoyed learning and playing the game. We hope they have a fun day. We also wish the very best to those who are competing in the Hawkes Bay Cross Country. You are all amazing runners and we are proud of your efforts and perseverance.

Thanks to those who responded to our request for helpers for Pet Day. We will be in touch with you prior to the day to sort out any help or resources you may need. For those who haven't yet responded, we would still love to hear from you as we need lots of people to make the day a success. Even if you are keen but unsure of what to do, contact us and we will help you with ideas. Today we have sent out the programme for Pet Day which might provide you with some inspiration for holiday activities with your children.

Over the next few weeks we have some major property work being undertaken including new carpet in all of the classrooms, a new exit and outdoor area for Rūma Tahī and painting of the exterior of the old school building. Lots of exciting projects to make our school even nicer!

Finally a safety notice - I have been told about children running around at our school bus pick up points and the concern that they could be hit by moving vehicles. Please be responsible for your children and keep them in your car until the bus is ready to be boarded. We do not want anyone to be hurt at our school bus stops. Also some positive feedback and praise for our senior students who do such a wonderful job looking after the younger children - you are very much appreciated!!

Enjoy the last week of term everyone,  
Julie
