'A caring, country school growing student potential through challenge, creativity and play – every child, every day'

Term 3, Week 2
Thursday 5th August 2021

Achieve and Succeed Me whai, kia angitū

Congratulations to our Students of the Week for displaying the school habits and values as follows:

Bella Greer for Perseverance – You have had a fantastic first week back to this term Bella. You have faced challenges and tried your best with all learning tasks set. You have worked hard in your writing to edit your work and add more detail. You are solving multiplication problems by skip counting in maths. Bella, you have had such a positive and can-do attitude this week. Keep working hard.

Lottie Smith for Perseverance – This week you have shown incredible perseverance and persistence, Lottie. Weaving stars out of paper, finding correct coordinates in maths, learning new waiata, practising hockey skills and spending a lot of time and effort researching and presenting your Olympic tasks. Keep up your positive can-do attitude!

Jett Buckeridge for Perseverance – You have had an awesome start to Term 3, Jett. You are starting to get into the learning pit and trying new strategies to help you when you get stuck. You have been working hard to complete your handwriting and maths tasks this week. Jett, you have been persevering with having a good attitude towards learning and playing nicely with your friends. Keep up the great work!

Remy Davidson for Perseverance (absent) – You have tried really hard in your first week back at school, Remy. We can see that in your handwriting, as you learn to write speech and dialogue and as you solve a maths problem using skip counting. You are a great role model when you work with younger children. You are mature and act responsibly but kindly. We enjoy having you in our class, Remy. You're a great guy!

Kia ora koutou,

What a great week we've had watching the NZ Olympians bringing home the medals. We've really been able to think about perseverance in light of the Olympic games. It's great to see our children come in and check the board for new medals each day, excitedly chatting away about the events they have watched and enjoyed. Great motivation!

This week we are focusing on *Kindness*. Following are some acts of kindness we are grateful for. The first one is the kind contribution of toys and games for the library from Xavier's family. Thank you so much! Secondly, we want to thank Leila's grandmother, Brenda, for her kind offer to run a knitting club at lunchtime on Thursdays. I'm sure there will be lots of children keen to give it a go. And our third act of kindness comes from our Waiū club sharing their winning prize with the school. Thanks everyone for making our school an even nicer place to be.

In week 9 this term we have our Ngati Whai Festival so we are busy learning our waiata, poi and haka for our performance. If you have skills in this area, we would really appreciate your input, especially for the haka - "Tika Tonu". Any tips gratefully accepted! Call me anytime, I will be *more than happy* to hear from you!!

Next week we welcome Annabelle Greer, Chloe's mum. She is from HB Hockey and is a player and secretary of the CHB Hockey Club. She will be teaching hockey sessions to all classes. Everyone has been practising skills and is looking forward to our hockey focus with Annabelle.

On Tuesday 10th August, we have a puppet show performance - "Rainbows and Fishes" from the Little Dog Barking Theatre Company. Set on a small Pacific island, Samoan, Maori and English are woven throughout the story of

when the rainbow fish lost its colours. We are always keen to watch different forms of theatre and look forward to the performance. Everyone is very welcome.

Next Wednesday is the Onga 7's competition. Our students from years 4-8 are in teams for hockey, netball and football. It's a great day that we always enjoy. A letter is attached with details. Students will be travelling to and from the event on the school bus. Feel free to come along and enjoy the day with us. Special thanks to our parents who are supporting teams.

Have a fantastic week,

Julie Thelwall
Principal
