'A caring, country school growing student potential through challenge, creativity and play – every child, every day'

Term 4, Week 7
Thursday 26th November 2020

Achieve and Succeed Me Whai, kia angitū

Congratulations to our Students of the Week for displaying the school habits and values as follows:

All the Year 5s for All the Argyll East Habits and Values – You came to the Senior camp and participated fully in all the activities. You were well organised and had a positive attitude. You did jobs around the kitchen conscientiously. You had fun playing games, visiting the prison, going down the waterslide... You always used your manners. We were so proud of you.

Charlie Kent for All the Argyll East Habits and Values – Congratulations on receiving this week's award. Charlie you consistently show all of our values and habits. You use your manners and are respectful to all of those around you. I like that you can enjoy a bit of banter and can laugh at yourself. You are incredibly resilient when things don't seem to work out in your favour but you continue to try your best. I am so proud of you mate.

EJ Lamatau for All the Argyll East Habits and Values – What a fantastic week it has been getting to know you better at camp. You are a kind and considerate person who always thinks of others. You show great respect to all adults and teachers and always offer to help in any way. You have an incredible sense of humour - always smiling, laughing and having a joke. Keep smiling EJ!

Madi Thompson for Perseverance (absent) – Well done for trying so hard with your reading and writing. You have been learning to give things a go and now you are really trying in your learning! Keep up the hard work Madi!

Kia ora koutou,

Great rain for the countryside but not so great for Ruma Toru's sleepover and riverwalk. Fingers crossed for sunshine next week as we are getting closer and closer to summer holidays. Ruma Toru are being very patient!

Congratulations to Vicki and Beau as they look forward to the birth of their little baby next May. A very exciting and special time and we wish them the very best as they start their family together.

Well done to all of the students who participated in camp last week. I really enjoyed my time with you, especially watching you speed down the water slide into the stream below - great fun, even for the spectators. Special thanks to Mrs Smith and Miss Hay for all of your hard work organising and running the camp - we all really appreciate the time and effort that you put into preparing such a successful week of activities for everyone. And again, thanks to all of our supporters on camp - John and Bindy Brans, Emma Oliver, Helen Bruns, Donna Sarcich, Maddy Pinckney, Hamish Carter, Lisa Butler, and Kaleigh Kent. Huge thanks to Dave Hewer for keeping everybody so well fed and all of our families for the beautiful home baking. Your support is very much appreciated!

Next year we have two Teacher Only Days planned. The first is 1st April for Kāhui Ako teacher development offered to all schools in the CHB district. The second is Friday 4th June for Digital Literacy development in our cluster - Ongaonga, Tikokino, Takapau, Sherwood and Argyll East Schools. We will keep you posted on our own school Teacher Only Days to support Local Curriculum development.

We have decided to postpone the Reading Together programme until next year. Time has raced away from us and we understand that everyone is really busy at this time of the year. Having delivered the programme in the past and knowing its benefits, we would really like to reach as many as possible so will offer the programme again early next year. A double up in dates for Cricket Hawke's Bay means our cricket times are changing - we will keep you posted.

Our school leaders are busy organising our school Disco and Talent Quest. Lunchtimes are buzzing with children practising for the talent quest and if you were lucky enough to be at our last talent quest you will be keen to come along to this one, knowing the smiles and laughter to be had!

Still lots of fun activities planned to finish off the year.

Have a great week,
Nga mihi,

Julie Thelwall
Principal

PRINCIPAL'S AWARD

To Matthew Valentine for Participating and Contributing, Relating to Others and Self-Management

You always try your hardest when you are doing your learning Matthew. You work well independently and with your classmates to solve problems and you show you are a good team player. You really enjoy

investigation and notice little things that contribute positively to your learning. Kia kaha Matthew!

CHB INTERSCHOOL ATHLETICS

Congratulations to Fletcher, Maddie and Ruby Finch on competing in the CHB Interschool Athletics. Maddie came 1st in the long jump and 1st in the final of 100m for 12 and over girls. Ruby came 3rd in the 10/11yr old 100m final. Well done to you all.

LIBRARY BOOKS

Please could all library books be returned by the end of this week to enable the school to do an end of year stock take. Many thanks.

ARGYLL EAST SCHOOL PĀTAKA

In 2019 Argyll East School got 4 chicks. The chicks were moved around the classrooms so we could all take turns feeding and cleaning out the cage. When they got bigger we moved them out to the school's chicken coop. When they started laying eggs, Ruma Rua had monitors. The monitors would collect the eggs. Then they would take them back to their classroom and get them all clean so they were ready to sell. The eggs are sold for \$5 a dozen. We use the money that we make from the eggs to buy the chickens' food.

We have a metal paper brick maker. We shred paper we have used and the brick maker moulds it into bricks. The bricks are \$1 each. We used that money to buy a shredder.

We made the Pātaka because we had a whole lot of eggs and paper bricks left over. The whole school built the pātaka after lockdown and painted it in term four the Argyll East School colours (blue and yellow). Once we had finished it we nailed it to the fence.

This is a community pātaka so everyone is welcome to buy, take or share anything if you are in CHB or passing by. We would love it if you would exchange some extra things that are in your garden or in your cupboard eg: jam, flowers, old clothes and shoes. By Lottie Smith, Lily Kent and Benjamin Valentine 10yr olds.

HOME AND SCHOOL CHRISTMAS RAFFLE

Home and School are running a Christmas raffle. Tickets are \$5 each and there is a fantastic prize, including a 2020 HB Magpies signed rugby jersey, wine, meat, Christmas cake, vouchers and lots more. We are giving out raffle sheets to each school family to sell, attached with this newsletter. Please could all raffle sheets be returned with payment by Wednesday 16th December. Please could all unsold raffle sheets also be returned. Many thanks.

80's Disco!

There is an 80's themed disco on Thursday 3rd December at the Argyll Hall from 5:30 - 7:30. Please come dressed in your best 80's outfit. Prizes

will be handed out for the best dancers and game winners! Food and glow in the dark items will be for sale as well. Gold coin donation for entry. Hope to see you there!

ARGYLL EAST SCHOOL GARDEN COMPETITION

Judging times have been sent out. Keep on weeding and nurturing your gardens!
