ARGYLL EAST SCHOOL NEWSLETTER

Live, Learn, Grow!

Term 4, Week 2
Wednesday 18th October 2023

Congratulations to our Students of the Week for displaying the School Habits and Values as follows:

Isla Campbell for All the Argyll East Habits and Values – Isla, you have really blossomed into an amazing AES student. You are always ready for learning and are keen to learn new strategies in maths and literacy. You are always kind and thoughtful, and you are helpful around the classroom. You get along with everyone and I really enjoy having our morning chats when you arrive at school. Thank you for all your hard work this year Isla, you have really impressed me with how much you've grown and what you've learnt.

Jack Shorten – Welcome to Argyll East School and Rūma Tahī. You have had a great start to your time at school and it has been wonderful to see you joining in with learning in class and having fun. We hope you enjoy your time at school, Jack.

Clover Fogarty for the the Argyll East Habits and Values – Clover, your sparkly personality and enthusiasm for learning has seen you thrive. You are respectful to your peers, adults and nature and you are an inquisitive learner, who seeks new learning, especially in areas that are of interest to you. You are confident to speak up and share your ideas and you are a kind and caring friend to all. You offer help to others and have been developing perseverance in physical education. Clover, you are a delight to have in Rūma Toru and we love your energetic, fun and kind nature. Keep being you!

Isla Haftka for All the Argyll East Habits and Values – You are always kind, thoughtful and polite, Isla. This week you have been working hard in your maths group, learning about coordinates and bearings. You worked collaboratively to create a scale map of our classroom, as well as an orienteering course. In reading you have been developing your summarising skills, finding and using key words to create a detailed Google site about "Outward Bound" which included hyperlinks! You can be proud of the effort and attitude you put into everything you do. Keep it up, Isla!

Kia ora families and friends,

We are very excited to have Pet Day tomorrow and we look forward to seeing you all.

Next Thursday, 26th October, we have a visit from the Capital E Theatre with "The Grumpiest Child in the World". Everyone is very welcome to come along and join us. We will be in the hall and the show starts at 2pm.

Our history mural is really looking great. It is amazing to see what the children are creating each week. Not only are we learning about our local history, we are also learning outdoor painting skills, drawing and painting techniques and how to transfer our drawings onto the mural. It is a pleasure to see it develop and we look forward to sharing the finished work with you in the near future.

Students in Rūma Whā are getting excited as their camp draws near. Well done to all of them for their fantastic fundraising efforts and thank you to everyone for supporting their activities.

Thanks to the children who worked with the Lakeview Kindergarten to do some potting out of plants this week and thanks to Miss Hay for organising this activity.

A reminder to please return the consultation questions that we sent home with the newsletter last week. We are eager to hear your feedback as we work on our strategic plan for the coming year.

Have a great long weekend. We have Hawke's Bay Anniversary on Friday and Labour Day on Monday giving us two short weeks. Enjoy!

Julie
