You have been coming to school daily with a big smile. It has been great to see you coming on the bus too. In class, you are making new friends, giving your learning a go and asking lots of questions. Piper-Rose we cannot wait to get to know you more and hope you enjoy your time here.

**Gus How for all of the Argyll East Values :** Gus, you have come back to school with a fantastic attitude towards your learning. The happiness radiates from you to other students when you are seeing yourself succeed in maths and it makes them want to try hard to feel success too. You are a great listener, hard worker and an awesome role model for your friends.

You are not afraid to ask questions, share your ideas and get stuck into lending a helping hand when it's needed. You bring joy and excitement to the classroom with your bubbly personality.

# Message from the Principal

Kia ora e te whānau,

What a great week we've had! Lots of great learning is happening in all classrooms and the crisp autumn weather has been so lovely.

This week saw the first 'On the Road' delivery of technology for our year 7 and 8 students. While we await the relocation of the CHB Technology Centre to its new home at CHB College, the teachers are visiting schools to deliver it. Miss Smith and Mr Phillpotts arrived on Monday morning, with their cars full to overflowing, to teach woodwork and cooking to our students. Feedback was really positive with everyone enjoying it. This will continue every fortnight until the new centre is ready.

Our Year 8 students went to the Open Day at Central Hawkes Bay College this week and really enjoyed the variety of classes and activities they were involved in. Over 150 students from across CHB attended the day which helps our students feel confident as they transition to secondary school.

This term our students are all participating in rotations as they get ready for our hakari (feast) in Week 8. Miss Allen is teaching waiata, Miss Hall is teaching Tī Rākau, Miss Hay is working in the gardens and I am teaching flax weaving. Each week classes go to a different teacher to participate and learn new skills. As teachers, it is so nice to spend time with students from different classes and the children also love it.

Have a great weekend everyone. Good luck to everyone participating in sports and to those duck shooters braving the cold mornings!

Ngā mihi,  
Lara
