Argyll East School
Live, Learn, Grow
Kia Ora, Kia Ako, Kia Tupu

Term 2, Week 6
Thursday 6th of June 2024

Congratulations to our Students of the Week for displaying our School Vision and Values as follows:

Stevie-lee Cunningham welcome to **Argyll East School** - (absent for photo) Welcome to Rūma Tahi and Argyll East School. You are learning our class routines quickly and already showing what a great learner you are. It has been wonderful to see you making new friends already. You come to school each day with a big smile. We look forward to getting to know you more and hope you enjoy your school days here.

Etta Richie for all the **Argyll East Vision and Values** - Etta, you have been putting in so much effort to nail the gymnastics routines and you have been as graceful as a jumping gazelle during our practices to get over that vault! Other teachers have noticed how kind and respectful you have been, especially noticing you using your manners. You love learning and it's so awesome to see your smile when you get all your maths right! You are a person who gets along with everyone and everyone gravitates towards you because you're always so cheerful and kind. Thank you for all your hard work Etta, you are such a pleasure to have in Rūma Rua

Alex Godinet for all the **Argyll East Vision and Values** - You are a delight to have in class. You come to school each day with a cheerful smile and have a positive attitude. You are a great role model, consistently showing respect to everyone in our classroom. You are kind hearted towards your friends and classmates. You go above and beyond your way to make the classroom a happy and bright place to be. It has been a pleasure teaching you!

Tafale Eni-Isaako for all the **Argyll East Vision and Values** - Thank you Tafale for being you and for being a super star in Rūma Whā. You are kind, caring and keen to learn, Your attitude towards learning is fantastic and you are always willing to give it a go even when you find it hard especially in Maths. Your smile brightens up the day and you have been very helpful this week with Mrs Smith away. Keep being you Tafale, you are awesome.

Kia ora families and friends,

We hope you had a great long weekend.

Teachers and teacher aides attended the CHB Teacher Only Day on Friday. We were spoilt with the calibre of keynote speakers who presented their messages with humour, knowledge and expertise. The feedback from teachers was overwhelmingly positive and has given our Kāhui Ako ideas for future professional development in the district.

Our school has been working with SchoolDocs to create a website for our policies and procedures. We are excited to announce that the site is now live and available to our school community. We work with SchoolDocs to maintain, update, and review our policies. SchoolDocs provides us with a comprehensive core set of policies, which have been well researched and align with the National Education and Learning Priorities. The policies and procedures are tailored to our school with specific information including our charter, procedures for behaviour management, reporting to parents, etc. SchoolDocs updates, modifies, or creates policies in response to changes in legislation or Ministry guidelines, significant events, reviews/requests from schools, and regular reviewing from the SchoolDocs team.

Our school board has the opportunity to view changes/additions and comment on them before they are implemented. You are also able to take part in the reviews. We invite you to visit the site at <https://argylleast.schooldocs.co.nz>. Our username is "argylleast" and password "livelearnrow".

Please contact the office if you have any questions

Our sincere condolences to the Olsen family on the passing of Peter. The Olsens have been active community members in the Argyll district for many years. Peter was very helpful and knowledgeable when Argyll East School got their first chickens. His grandchildren, Jacob and Gabriella, both attended Argyll East School.. Our thoughts are with you all at this time.

Warm regards,
Julie

PRINCIPAL'S AWARD

To **Richie Butler** for demonstrating our vision and values.

Richie, I think it is great that you involve yourself in different activities and give new challenges a go! You are doing really well in guitar and I can see that you practise in your own time. I enjoyed reading your writing last week - fantastic ideas and great handwriting! You really demonstrate our school vision and values in the classroom, on the playground, on the bus and with everyone at school. Well done Richie - you are a star!

Thumbs Up

- To all of the parents helping out with the gymnastics. We appreciate your help.
- To our awesome relievers and staff for helping out while other staff members have been away sick.

HEALTHY SLEEP HABITS

Here's some great tips to ensure our tamariki get enough sleep:

- Tamariki aged 5-13 years need 9-11 hours of sleep each night to help their body and brain develop
- Encourage exercise during the day
- Create a routine of going to bed at the same time each evening
- If you can, keep the bedroom for sleeping only
- Keep cell phones, computers, TV's and video games out of the bedroom
- Replace screen time 1 hour before bedtime with calming activities such as bathing, music, and reading
- Keep the bedroom dark, quiet, and comfortable
