ARGYLL EAST SCHOOL NEWSLETTER

Live, Learn, Grow!

Term 2, Week 7
Thursday 8th June 2023

Congratulations to our Junior Gymnasts who participated in the Junior Gymnastics Festival at Tikokino last week

Kia ora families and friends,

I hope you all enjoyed the long weekend. I really enjoyed my trip to Wellington last week with my Professional Learning Group. We visited three schools over the two days, looking at structured literacy, a new modern learning environment and a school with community shared spaces. All were very interesting in their own ways and it was great to have the opportunity to hear about each school's journey.

On Tuesday, myself and teachers from Toru and Wha attended Maths workshops looking at multiplication strategies. These were run by Sam Kordan from the Kāhui Ako. Next Tuesday it will be the junior class teachers turn to attend with a workshop concentrating on subtraction. We hope you are enjoying the maths games that Sam has videoed for families and that we have shared through our newsletter. You can also find them on our Kāhui Ako website <https://www.chbkahuiako1.co.nz/> Episode 3, a place value game, has just been added to the webpage.

Teachers from Ruma Toru and Wha are writing mid-year reports, concentrating on literacy, maths and learning habits. We will send them home in the final weeks of this term.

Annabelle is enjoying the weekly hockey sessions with our children. Already she has seen a big improvement and she can see the kids really thinking. I think it is awesome that they are using their skills to play some good games during the sessions. Thanks Annabelle.

This week we are attaching to the emailed newsletter details of the Seasons for Growth, Growing Through Grief and Stormbirds programmes which will be run again in term 3. These programmes are recommended for students affected by grief, trauma and also by the recent cyclone.

Tickets are still available for the Cyber Safety evening "Our Kids Online" on Tuesday 15th August. I realise this is early notice but we only have a limited number of tickets available. Please contact the office if you would like to attend.

Cross country has been postponed until next Friday because of the rain. We hope you can come along to enjoy the day with us.

Enjoy your week,

Julie
