TERM 3
WEEK 2

THURSDAY
30TH JULY
2026

Students of the week

CONGRATULATIONS TO OUR
STUDENTS OF THE WEEK
FOR DISPLAYING OUR
SCHOOL VISION AND
VALUES:

Laura Taylor for perseverance, integrity, respect & creativity: What a fantastic first week at school for Laura! She has slotted seamlessly into our classroom routines and expectations, approaching every activity with joyful engagement.

Laura's warm energy has helped her make many new friends, showing a strong sense of Belonging (Mana Whenua) and Contribution (Mana Tangata) as she enriches our class community.

During cross-country training, Laura has shown inspiring determination and resilience, embodying Exploration (Mana Aotūroa) as she challenges herself and overcomes obstacles with confidence.

Kapai to mahi Laura! ! We are so proud of your wonderful start to school.

Brooke Kent for perseverance & creativity: Brooke, you have such a kind, caring and patient attitude towards life and learning. You are always speaking to your friends with a kind voice and you ensure you use kind words. It has been so great seeing you listen to others while they speak; especially during news time, and when it comes to your turn, you speak with confidence and share lots of detail about your adventures.

Making little pictures and things for others is such a lovely gesture Brooke, and I hope your friends reciprocate this kindness.

Last term during Ngati Whai, you practiced singing our waiata and actions and then you shone in the performance on the day. Keep up the awesome work Brooke!

Georgia Greer for perseverance, integrity, creativity & respect: You have come back to class after the holidays all ready to go, Georgia! You are prepared with your speech topic and you know lots about it that you can write in your own words. You were all organised for our Onga 7's practice too. You are using different strategies in maths to work problems out in your head. Thanks for showing initiative in our classroom to keep it tidy and make things work better. Ngā mihi ki a koe mō tō āwhina.

Leila Phillpotts for perseverance, integrity, respect & creativity: It's great watching you grow in confidence and belief in yourself as you begin transitioning towards secondary school. You take such great pride in the presentation of your work and this is evident in the beautiful handwriting you have developed. I love working with you in your small maths group where you tackle difficult problems by listening carefully, thinking about how you can approach the problem and working methodically to solve it. It has been a pleasure watching you become more confident with your maths. Keep challenging yourself and pushing yourself to do things outside of your comfort zone.

Message from the Principal

Kia ora families and friends,

What a chilly week it has been, with some cracker frosts here at school! We've had a wonderful start to the term, and it's heartening to see everyone so well-settled and happy. Our warm classrooms are buzzing with fresh learning, and we are incredibly pleased with the progress being made across the school.

Yesterday, we thoroughly enjoyed the Onga 7's tournament, which featured plenty of spirited competition and a welcome dose of sunshine. A huge well done to all our Year 4-8 students for your enthusiastic participation and positive attitudes; you played your chosen sports with great skill and gave it your absolute best! We were so proud of our Junior Football team who won the Fair Players of the Day award - Everest, Richie, Oscar, Jacob, Tegan, Veda, Knox and Harleigh Rose. Well done to you and your coach Kane! We are equally proud of our senior football team who made the final and played an excellent game against Waipukurau - runners up for the day! We would like to extend a special thank you to the parents who assisted with the teams and the gazebo, as well as those who came along to cheer us on. Your support is greatly appreciated!

Today, Mrs. Smith and I participated in SCRIBO professional development to further support writing in the senior class. We are excited to begin implementing this program within Ruma Whā.

Have a great week everyone,
Julie

PRINCIPAL'S AWARD

To Harvey O'Halloran for demonstrating our vision and values. Harvey, we are so impressed with the way you have settled into school and even though you have not been here for very long, you are already stepping up and looking after our new students, showing them how things are done at Argyll East School. You have been noticed being kind and caring to your classmates and we think that is fantastic. Thank you so much for being generous and kind Harvey. You are a great role model!

Sport
