TERM 4
WEEK 2

Students of the week

CONGRATULATIONS TO OUR STUDENTS OF THE WEEK FOR DISPLAYING OUR SCHOOL VISION AND VALUES:

Kuba Blake Gut for perseverance, integrity, creativity & respect: You are a fantastic senior student in our school, Kuba. You approach everything with a calm and laid back attitude and give everything a good go. You don't hesitate to ask questions and you offer support to others too. You have been really pushing yourself in your maths learning as you solve 2 step word problems involving the multiplication of fractions by whole numbers. Thanks for always bringing the positivity and your great sense of humour to all that you do. Good luck next week in the Ki o rahi tournament, I know you will give it 100%

Mrs Sarcich for all the Argyll East Values: Mrs Sarcich, you are an amazing person. This week, with Miss Allen being away, you stepped up and took charge in setting up the field for athletics and ensured everything ran smoothly. We can't thank you enough for all the effort that went into making sure we had everything for the day and packing it up at the end. We want to also acknowledge your ability to step up from being a teacher angel to teacher when we need you. Lastly, thank you for being an awesome help on our trip last week!

Maggie Swinburne for all the Argyll East Values: Maggie, you are an absolute superstar when it comes to being brave and giving things a go! We were all so proud watching you get out of your comfort zone by running in the relay race at athletics. I know that you gave it your all during the other activities as well. Amazing effort Maggie!

During class you listen, put in lots of effort into your work and are always enjoying yourself during our lessons. It's so great seeing you having lots of fun with your friends and seeing your confidence grow over the year.

AJ Innes for perseverance, creativity and respect: You have come back after the holidays, all ready to go, A.J. There were changes in our classroom, our days and the adults in our room. You managed yourself well and adapted to these changes with maturity. You did some great learning in and out of the classroom and could talk about it with others. You are developing awesome skills, habits and knowledge as you get set to transition into the Senior Room. He rawe koe, A.J.

Message from the Principal

Kia ora families and friends,

Our condolences to Miss Allen and her family on the sad loss of her father this week. Our thoughts are with you Samantha.

Thank you to everyone who has offered help feeding our new little calves on the weekends. The children were so excited when they arrived last Friday and quickly signed up to be involved in the lunchtime feedings. Special thanks to Bevan for organising the calves and getting everything set up for us.

Well done to our year 5-8's who have competed in the Ki-o-rahi tournament this week and thanks to Mrs Sarcich for supervising them at Russell Park. We have recently purchased our own Ki-o-rahi set and our students are loving playing during lunch breaks. Well done to Ava and Isla who organised fund raising events to purchase the game - everyone is really enjoying it.

Tomorrow we are having a student gardening session between 12 and 1pm. We will go down to our 2025 planting area and release weeds and grass around our plants. Students should bring old clothes and covered shoes or boots. If your child gets hayfever, it might be best for them to have some medication in the morning.

We have our family working bee tomorrow afternoon. Rose has organised a list of jobs that will be on our display board when you arrive. We will start at 3pm and finish by 5pm. Useful tools to bring along include chainsaws, loppers, hedge trimmers, secateurs and gardening gloves. We are really grateful for your time and willingness to help with the care of our beautiful and extensive gardens.

Thanks to our families who send their children to school in the correct uniform each day. We really appreciate your support in placing all of our students on equal ground and removing any problems associated with what children are wearing to school. Our school uniform guidelines are on our website.

A reminder that we have strike action next Thursday and school will be closed. More information is attached to our email.

Have a fantastic week everyone,

Julie

PRINCIPAL'S AWARD

To Taylor Thompson for demonstrating our vision and values. Taylor, you have been showing a very positive attitude at school, in the classroom, playground and on the bus. You have been noticed by others caring for our new entrant children and that is exactly what our senior role models should do. So thank you Taylor for being a positive example to everyone and for showing kindness and respect to others.
