Thursday 10th March 2022

Dear Parents / Caregivers,

Your child has expressed an interest in playing netball for Argyll East School in 2022. The first grading games if required for the Year 7 & 8 Intermediate Grade are on Saturday 7th May and the end date for games is Saturday 20th August. Games will be played at the Centralines Sports Park.

Each team will consist of 9-10 players and will require a coach and an umpire, so please state on your child's permission slip if you are available to help. Without these the teams cannot exist. There will be a coaching workshop coming up.

Hawke's Bay Netball encourages all parents to use their phone app or website for up to date information www.hawkesbaynetball.co.nz Please do not print out a full season draw, as this may change weekly. Weekly netball draws will be placed in the school newsletter.

We will combine with other schools where needed to help with team numbers in each grade.

At this current stage of Covid 19 Red restrictions. Anyone over 12years and 3months is required to be fully vaccinated to enter into the venue. Parents/coaches are asked to wear a mask. We will keep you updated with any further updates as they are reviewed.

Fees have been set at approx \$23.00 per player depending on numbers in the team.

Please fill in the form below and return to the school by **Friday 25th March 2022**.

Kind regards,

Samantha Allen
